MEMORANDUM

To: Members of the Board of Elementary and Secondary Education
From: Mitchell D. Chester, Ed.D., Commissioner
Date: February 17, 2017
Subject: Proposed Amendments to Regulations for Educator Licensure and Preparation Program Approval (603 CMR 7.00); Educator License Renewal (603 CMR 44.00); and Certification of Supervisors of Attendance (603 CMR 13.00)

This month I am presenting to the Board of Elementary and Secondary Education for discussion and a vote to solicit public comment, proposed amendments to 603 CMR 7.00, the Educator Licensure and Preparation Program Approval Regulations; 603 CMR 44.00, Educator License Renewal; and 603 CMR 13.00, Certification of Supervisors of Attendance. This follows the briefing the Board received at the December 20, 2016 Board meeting about our current educator licensure system and proposed changes.

Promoting educator development is one of the agency’s core strategies. These proposals are intended to streamline the regulations and licensure system, close loopholes, clarify certain provisions, and reduce regulatory burden. With the Board’s approval, we will solicit public comment on the proposed regulations. I anticipate returning to the Board for a final vote in June 2017.

Background on regulatory review process

Governor Baker’s Executive Order 562 called for a statewide regulatory review. The Department has used this process to renew discussions about the educator licensure system, which led to the creation of a 17-member Working Group for Streamlining Educator Licensure Regulations & Policies. Over a two-month span in spring 2016, the Working Group discussed and vetted a series of proposals aimed at streamlining the current regulations while operating within the existing statutory structure. Following this work, the Department surveyed educators regarding the Working Group’s recommendations. The survey ran from September 22-October 20, 2016, and elicited over 900 responses. The recommendations were viewed favorably; only one proposal received less than an 80 percent approval rating. Results of the survey are included in the Board packet.
Summary of proposed changes

Most of the proposed changes can be categorized as streamlining, closing loopholes, or reducing regulatory burden. Below are several examples of proposals included in each category:

1) **Streamlining licensure regulations** – Several proposals are aimed at “cleaning up” the regulations while others look to simplify the process and provide educators with additional options.

   *Examples:*
   a) Provide greater flexibility in the professional development an educator can participate in for purposes of license renewal, rather than directing the content for their professional development (603 CMR 44.06).
   b) Condense multiple and repeated references to completing approved programs into one option and move descriptions of the differences among various types of programs to guidelines (603 CMR 7.05 & 603 CMR 7.04(2)(c)).
   c) Simplify access for experienced out-of-state educators to receive a Temporary and Initial license and change the validity period for a Temporary license from one calendar year to one year of employment (603 CMR 7.02 & 7.04(2)(d)).

2) **Closing loopholes** – The focus here is on balancing requirements among candidates and eliminating aspects of the system that do not encourage continuous growth and development.

   *Examples:*
   a) Grant one preliminary license that is valid for five years of employment, requiring the educator to complete an approved route to advance to the initial license within that period of time regardless of how many subjects and grade levels of preliminary license are held. (603 CMR 7.02 & 603 CMR 7.05).
   b) Require out-of-state principal license applicants to complete and pass the performance assessment for leaders (PAL) to attain a principal license if they have less than one year of experience as a principal/assistant principal. (603 CMR 7.09).

3) **Reduce/eliminate unnecessary burden** – The goal here is to simplify and clarify the licensure process for districts, aspiring educators, and educators adding or advancing licenses.

   *Examples:*
a) Move the detailed subject matter knowledge requirements out of the regulations and into guidelines so that when Curriculum Frameworks are updated, then the licensure requirements, requirements for preparation programs, and MTEL exams can be updated seamlessly. (603 CMR 7.06).

b) Condense the principal/assistant principal license from three levels (PreK-6, 5-8 and 9-12) to two levels (PreK-8 and 5-12) to align to the structure for other licenses and provide more flexibility in hiring. (603 CMR 7.04(3)(a)).

c) Eliminate a separate set of regulations relating to certification of supervisors of attendance (603 CMR 13.00) while updating and defining the requirements for this position. 603 CMR 7.15(9).

In addition to these examples provided above, I would like to call the Board’s attention to several specific proposals that are being presented to you: 1) expanding eligibility to obtain the autism endorsement to “general” educators; 2) clarifying the process relating to license sanctions; and 3) separating Digital Literacy/Computer Science and Instructional Technology licenses.

Expanding Eligibility for Autism Endorsement

The Board voted in September 2015 to adopt regulations creating the optional Autism Endorsement for special educators. At that time the Board also directed the Commissioner to investigate expanding eligibility for the newly created optional Autism Endorsement to general educators. As a result, the Department invited key stakeholders to participate in an Autism Endorsement workgroup meeting in March 2016. Invited stakeholders included representatives from Massachusetts Advocates for Children (MAC), the Massachusetts Teachers Association (MTA), the American Federation of Teachers (AFT-MA), and representatives from institutions of higher education.

Based on feedback from the Board and this workgroup, the Department developed a survey to solicit stakeholder feedback on this potential expansion and on various options for the expansion. This survey was disseminated widely to key stakeholder groups, posted on our website, and published through the Commissioner’s Weekly Update and Twitter. The Department received 451 responses to the survey in May and June of 2016. Sixty-one percent of respondents indicated that they believe the endorsement eligibility should be expanded to general educators, and approximately 70 percent of respondents indicated that there should be some prerequisite special education coursework for general educators seeking the endorsement. Please see the attached summary of key findings from the stakeholder engagement process.

The Department has also received strong support for expanding eligibility for the endorsement from stakeholder groups, including public comment from MAC at the December 2016 Board meeting, and a letter of support from the state Autism Commission, which is comprised of autism experts, providers, advocates, and state leaders appointed by the Governor to continue efforts to improve and expand treatment, resources, and insurance coverage for individuals with autism.
Therefore, we propose that the Board solicit public comment on the proposal to expand eligibility for the autism endorsement to all licensed educators who previously have earned a minimum of three graduate credits related to special education (603 CMR 7.14 (5)).

**Clarifying Process for License Sanctions**

State law gives the Commissioner the power and duty to grant educator licenses and to revoke educator licenses for cause, pursuant to standards and procedures established by the Board in the regulations. The proposed amendments to the license revocation section, 603 CMR 7.15(8), would clarify certain provisions that provide due process for licensed educators and align with Department practices. Specific proposals include:

- State explicitly that the Commissioner may issue license sanctions less than revocation or suspension, such as a reprimand. This change provides the Commissioner flexibility to impose lesser sanctions in cases in which a revocation or suspension is not warranted.

- State explicitly that license sanctions may be imposed if a license holder compromises student safety or the integrity of the student-educator relationship.

- Clarify that the term “convicted of a crime” includes a continuance without a finding and other dispositions of criminal matters not specifically listed in the regulations.

- Remove the “Investigatory Subpoena” provision of the regulations and reflect in regulation the requirement that educators and school administrators provide the Department with information and documents relating to an investigation of misconduct.

- Clarify other provisions. For example, the regulation on the Department’s periodic notice to school superintendents about license actions is revised to include heads of charter schools and virtual schools, who are routinely notified of disciplinary actions but are not currently listed in the regulations.

**Digital Literacy/Computer Science and Instructional Technology**

Based on feedback and comments received at the December 2016 Board meeting and additional outreach conducted by Department staff, I propose that we maintain an instructional technology license. The main function of an instructional technology specialist is to enable improved student and educator access to high-quality new learning models, supported by technology, that prepare them for student and school success. As a result, we are proposing to move the instructional technology license from a teacher license to a specialist teacher license. In addition, the proposed new Digital Literacy/Computer Science (5-12) license will ensure that students engaged in computer science classes at the middle school and high school levels are taught by an educator who has demonstrated appropriate subject matter knowledge in digital literacy and computer science.

7.01: Purpose and Authority

(1) Purpose. The provisions of 603 CMR 7.00 are intended to accomplish several major objectives:

(a) Strengthen the subject matter knowledge required for each license;
(b) Strengthen the subject matter knowledge required for the teaching of reading for all teacher licenses;
(c) Clarify and strengthen the professional standards for practice for teachers and administrators;
(d) Clarify alternate ways in which prospective teachers and administrators can be prepared for a career in education;
(e) Strengthen safeguards for parents and students by requiring strong induction programs and three years of employment before new teachers can obtain a Professional license;
(f) Prepare educators to help all students achieve; and
(g) Strengthen accountability for providers of preparation programs by linking state approval to the performance of their candidates on state licensing tests and performance assessments, as well as results of state administered surveys, employment data and evaluation ratings data.

(2) Authority. 603 CMR 7.00 is promulgated by the Board of Elementary and Secondary Education pursuant to M. G. L. c. 71, §§ 38G, 38G1/2 and c. 76, §19.

7.02: Definitions
As used in 603 CMR 7.00, the following terms shall have the following meanings:

**Academic Discipline Appropriate to the Instructional Field of the License:** The subject knowledge specified in appropriate provisions of 603 CMR 7.06 for teacher licenses and in 603 CMR 7.07 for specialist teacher licenses.

**Administrative Apprenticeship/Internship:** A comprehensive field-based learning experience of at least 300 hours in the role and at the level of the license sought, guided by a trained mentor who holds a Professional license in the same role. It shall provide seminars, workshops, and other opportunities for candidates to address the Professional Standards for Administrators set forth in 603 CMR 7.10 and prepare candidates for a Performance Assessment for Initial License. Such experience should be regularly spaced over the course of an academic year and may be completed as a paid or unpaid apprenticeship or as an internship while the candidate is employed as an acting administrator.

**Aggregate Pass Rate:** The number of educator preparation program completers who passed all the Massachusetts Tests for Educator Licensure they took in a category of tests divided by the number of completers who took one or more of the tests in that category, expressed as a percent.

**Alternative Preparation Organization:** An organization, other than an institution of higher education, that prepares individuals for educator licensure. The organization could be sponsored by a school district, educational collaborative, professional association, or other non-higher education institution.

**Alternative within an Institution of Higher Education:** A non-degree post-baccalaureate educator preparation program leading to the initial license.

**Apprenticeship:** A paid or unpaid field-based experience of at least one semester in the role and at the level of the license sought, in a classroom with a supervising classroom teacher who holds a Professional license.

**Approved Preparation Program:** A program approved by the Commissioner to prepare individuals for educator licensure in the Commonwealth of Massachusetts.

**Assistive Technology:** Assistive technology devices and services as defined under the Individual with Disabilities Education Act, 20 USC §§1401(1),1401(2); 34 CFR §§300.5, 300.6.

**Augmentative and Alternative Communication:** Methods of communication other than oral speech that enhance or replace conventional forms of expressive and receptive communication to facilitate interaction by and with persons with disabilities who are nonverbal or have limited speech, including, but not limited to: specialized gestures and signs; communication aids such as charts, symbol systems, visual supports, and language boards; mouth sticks; and electronic communication devices such as switches, head pointers, eye tracking, dynamic displays, auditory scanning, and voice output devices.

**Bachelor's Degree:** For an undergraduate student seeking a first teaching license, a Bachelor of Science or Bachelor of Arts degree from an accredited college or university resulting from the completion of an undergraduate program in which the student has satisfactorily met the requirements for a major in one or more academic subjects in the arts or sciences or for a major appropriate to the instructional field of the license sought. For a post-baccalaureate student, a
Bachelor of Science or Bachelor of Arts degree resulting from the completion of an undergraduate program in which the student has satisfactorily met its requirements.

**Board**: The Massachusetts Board of Elementary and Secondary Education.

**Cohort**: For Title II of the Higher Education Act and state reporting purposes, any group of candidates who complete an educator preparation program from September 1 through August 31st of any year.

**Commissioner**: The Commissioner of Elementary and Secondary Education or his or her designee.

**Communication and Literacy Skills Test**: The test of communication and literacy skills included in the Massachusetts Tests for Educator Licensure.

**Competency Review**: The process for determining whether the subject matter knowledge requirements for a license have been met in a field for which there is no subject matter knowledge test, using Department guidelines.

**Core Academic Subjects**: English, reading or language arts, mathematics, science, foreign languages, civics and government, economics, arts, history, and geography.

**Core Academic Teachers**: For purposes of sheltered English immersion instruction, early childhood and elementary teachers, teachers of students with moderate disabilities, teachers of severe disabilities, and teachers of the following academic subjects: English, reading or language arts, mathematics, science, civics and government, economics, history, and geography.

**Department**: The Massachusetts Department of Elementary and Secondary Education.

**Educator**: Any person employed by a school or school district in a position requiring a license.

**Endorse**: The action taken by a sponsoring organization when a program completer has successfully completed all of the approved program requirements, regardless of whether or not the individual has taken or passed the Massachusetts Tests for Educator Licensure.

**Endorsement**: A supplementary credential issued to an educator licensed under 603 CMR 7.00, or a credential issued to an individual otherwise required by law or regulation to obtain such credential, indicating satisfactory knowledge and skills to perform services in the area(s) specified.

**Enrolled**: The point at which an individual has met all the sponsoring organization’s requirements to be formally admitted into the educator preparation program.

**Field**: The subject, population, or professional role specified in the title of a license issued by the Department.

**Field-Based Experience**: Experiences such as observation of a variety of classrooms, pre-practicum, practicum/practicum equivalent, internship, apprenticeship, or administrative internship that are integral components of any program for the preparation of educators. Field-based experiences shall cover a range of time periods within the school year.
Guidelines: All Guidelines identified in these Regulations, 603 CMR 7.00, will be issued by the Department and approved by the Commissioner following a period of public comment.

Inclusive General Education Classroom Experience: A practicum that takes place in a classroom that serves both students with and without disabilities. The students with disabilities must be receiving some of their Individualized Education Program services in the classroom setting. The teacher candidate must address the individual and group needs of all of the students (with and without disabilities) who are assigned to the classroom and receive supervision from both a special educator and a general educator during the practicum.

Induction Program: A planned program of professional support for new teachers and administrators provided by the school district, including orientation, opportunities for classroom observation and conferencing, and peer group meetings. An induction program should be an integral part of a school district’s professional development plan.

Initial License: An educator license issued to a person who has completed a bachelor’s degree, passed the Massachusetts Tests for Educator Licensure, completed an educator preparation program approved by the Commissioner, and met other eligibility requirements established by the Board. The Initial license is valid for five years of employment and may be extended at the discretion of the Commissioner for an additional five years. This license is equivalent to a provisional educator certificate with advanced standing as defined in M. G. L. c. 71, § 38G.

Institution of Higher Education: A college or university sponsored degree-granting educator preparation program.

Interim Review: An on-site review conducted by the Department to determine whether an approved preparation program is meeting the standards and benchmarks set forth in 603 CMR 7.03 (2) and (3) and the Guidelines for Program Approval.

Internship: A paid or unpaid, supervised, and mentored field-based experience, outside of an approved program, in the role and at the level of the license sought. Interns must be evaluated through a Performance Assessment for Initial License, using Department guidelines.

Level: The range of grades within which a given license is valid.

License: Any credential issued to an educator as specified in under 603 CMR 7.04 (1)e. The terms "license" and "licensure" as used in 603 CMR 7.00 are equivalent to the terms "certificate" and "certification" as used in M. G. L. c. 71, § 38G.

Massachusetts Tests for Educator Licensure (MTEL): Examinations required of all candidates for Provisional or Initial license. The MTEL examines communication and literacy skills, and subject matter knowledge appropriate to the license sought.

Mentor: An educator who has at least three full years of experience under an Initial or Professional license and who has been trained to assist a beginning educator in the same professional role with his or her professional responsibilities and general school/district procedures. In addition, a mentor may assist an experienced educator who is new to a school, subject area, or grade level. A mentor may also assist an educator who is participating in a performance assessment or a district-based program for licensure.
**NASDTEC Interstate Agreement**: The agreement sponsored by the National Association of State Directors of Teacher Education and Certification (NASDTEC) concerning reciprocal licensing of educational personnel among participating jurisdictions.

**Panel Review**: The process used by the Department for reviewing and recommending candidates for Initial licensure who have substantial experience and formal education relevant to the license sought but have not met the specific license requirements.

**Performance Assessment for Initial License**: Assessment of educator performance for Initial licensure using Department guidelines.

**Performance Assessment Program**: A Department-sponsored Performance Assessment Program for the Professional license that includes a series of seminars and a performance assessment.

**Performance Review Program for Initial Licensure (PRPIL)**: A performance review that satisfies the requirements for a practicum/practicum equivalent based on eligibility requirements, portfolio review, supervision and mentoring during an internship, and the completion of a Performance Assessment for Initial License.

**Practicum/Practicum Equivalent**: A field-based experience within an approved program in the role and at the level of the license sought, during which a candidate's performance is supervised jointly by the sponsoring organization and the supervising practitioner and evaluated in a Performance Assessment for Initial License. See 603 CMR 7.04 (4) for practicum hours. The duration of any equivalent to a practicum shall be no fewer hours than provided for the practicum in 603 CMR 7.04 (4). An equivalent to a practicum may include an apprenticeship, the initial five-month period of service as teacher or administrator of record under a Provisional Preliminary license, or others approved by the Department.

**Preliminary License**: A license issued to a person who holds a bachelor's degree and has passed the Massachusetts Tests for Educator Licensure (MTEL) and met other eligibility requirements established by the Board in 603 CMR 7.04 (2) and 7.09 (1). The Preliminary license is valid for five years of employment. This license is equivalent to a provisional educator certificate as defined in M. G. L. c. 71 § 38G.

**Pre-practicum**: Early field-based experiences with diverse student learners, integrated into courses or seminars that address either the Professional Standards for Teachers as set forth in 603 CMR 7.08 or the Professional Standards for Administrative Leadership as set forth in 603 CMR 7.10, in accordance with the Pre-practicum Guidelines. For candidates serving an apprenticeship or employed as educator of record, these experiences may occur simultaneously with the practicum or practicum equivalent.

**Professional License**: An educator's license issued to a person who has met the requirements for an Initial license in that field and met requirements established by the Board set forth in 603 CMR 7.04 (2)(c), 7.09, or 7.11. The Professional license is valid for five years and renewable for additional five-year terms as set forth in 603 CMR 44.00. This license is equivalent to a standard educator certificate as defined in M. G. L. c. 71, § 38G.

**Program Approval**: State authorization of an educator preparation program or its sponsoring organization to endorse program completers prepared in Massachusetts for educator licensure.
in the Commonwealth of Massachusetts. Also, the process through which a program or sponsoring organization may receive state approval.

**Program Completer:** An individual who has completed all the requirements of a state-approved preparation program (i.e., instruction/course work and practicum), regardless of whether that person has taken and passed state tests or assessments for licensure or has been endorsed for licensure by the program or its sponsoring organization.

**Program of Study:** The coursework, seminars, workshops, webinars, field experiences, and other program components that are required for the completion of an approved program.

**Program Supervisor:** The supervisor from the sponsoring organization, under whose immediate supervision the candidate for licensure practices during a practicum.

**Provisional License:** A license issued to a person who holds a bachelor’s degree and has passed the Massachusetts Tests for Educator Licensure (MTEL) and met other eligibility requirements established by the Board in 603 CMR 7.04 (2) and 7.09 (1). The Provisional license is valid for five years of employment. An educator who holds one or more provisional licenses may be employed under said license(s) for no more than five years in total.

**Regional Credential:** A regional license or certificate from another state or jurisdiction, issued under the terms of a contract entered into pursuant to the NASDTEC Interstate Agreement, including but not limited to the Northeast Regional Credential. Such a license shall be comparable to the Initial license and is valid for two years from the date of issue.

**Regionally Licensed Educator:** An educator who holds a regional credential and is eligible to teach for two years while completing the requirements for Initial licensure.

**Sheltered English Immersion (SEI):** Shall have the meaning set forth in M.G.L. c. 71A, §2.

**Single Assessment Pass Rate:** The number of educator preparation program completers who passed a MTEL test divided by the number of all completers who took that test, expressed as a percent.

**Sponsoring Organization:** Institution of higher education or alternative preparation organization that provides, or seeks to provide, approved preparation programs.

**Subject Matter Knowledge Requirements:** Topics from the content of a discipline or field. These topics do not necessarily coincide with academic courses or imply a specific number of credit hours. The subject matter knowledge requirements for each license will be outlined in the Subject Matter Knowledge Guidelines, approved by the Commissioner in guidelines.

**Summary Pass Rate:** The number of a sponsoring organization’s teacher preparation program completers who passed all the Massachusetts Tests for Educator Licensure they took divided by the number of the sponsoring organization’s completers who took one or more tests, expressed as a percent.

**Supervising Practitioner:** The educator who has at least three full years of experience under an appropriate Initial or Professional license and has received an evaluation rating of proficient or higher, under whose immediate supervision the candidate for licensure practices during a
practicum. For the educator of record, a comparably qualified educator will function as the supervising practitioner during the practicum equivalent.

**Teacher**: Any person employed in a school or school district under a license listed in 603 CMR 7.04 (3) (a).

**Teacher of Record**: One or more teachers who are assigned primary responsibility for a student's learning in a subject, grade or course.

**Temporary License**: An educator license issued to a person who holds a bachelor's degree and valid license or certificate of a type comparable to at least an Initial license in Massachusetts from another state or jurisdiction, and who has been employed under such license for a minimum of three years and has met the requirements set forth in 603 CMR 7.04 (2) (d). It is valid for one year of employment and is nonrenewable. Service under a Temporary license shall be counted as service in acquiring professional teacher status, contingent upon the educator passing the applicable licensure tests.

**Temporary Substitute Teacher**: An educator who is employed, on a temporary basis, for less than 90 consecutive school days in the same role, to take the place of a regularly employed educator who is absent. Any educator who is employed on a temporary basis for more than 90 consecutive school days in the same role must either be licensed for the role or working under a hardship waiver.

**Transition Services**: This term shall have the meaning given it in federal law at 20 USC 1401(34).

**7.03: Educator Preparation Program Approval**

(1) **Program Approval**. The Department shall issue Guidelines for Program Approval to be used in reviewing programs seeking state approval. The Guidelines for Program Approval will include detailed effectiveness indicators for each program approval standard set forth in 603 CMR 7.03 (2).

(a) Candidates may qualify for licensure through successful completion of an approved preparation program leading to the license sought, providing they meet all other requirements. Individuals who complete approved preparation programs may be eligible for licensure reciprocity with other states that are parties to the NASDTEC Interstate Agreement.

(b) Sponsoring organizations with approved preparation programs have the authority to review prior course work and work experience of their candidates and waive otherwise required course work, including the first half of the practicum or practicum equivalent, when designing programs of study for them. Granting such waivers is the official responsibility of the sponsoring organization. Records of candidates for whom coursework or other program requirements have been waived must be available during onsite review.

(c) A sponsoring organization that has received approval of one or more of its preparation programs shall endorse candidates who complete the approved preparation program.

(d) A sponsoring organization seeking approval of its preparation program(s) shall invite the Department to review them. The sponsoring organization shall provide written evidence in
accordance with the Guidelines for Program Approval, demonstrating that it satisfies the requirements set forth in 603 CMR 7.03 (1) through (4) for each program for which approval is sought. The Department shall review the written information for each proposed program and verify it through an onsite review at the sponsoring organization. The Department shall use the same standards in reviewing all programs and sponsoring organizations for approval.

(e) Program approval will be for a period of seven years, unless the program ceases to meet the requirements set forth in 603 CMR 7.03 (2) through (4) and in accordance with the Guidelines for Program Approval.

(f) During the seven-year approval period a sponsoring organization that seeks approval of a new program may ask the Department for an informal review of that program. Sponsoring organizations seeking approval for the first time may also request an informal review. If the review is favorable, individual candidates who complete the program will be deemed to have met the requirements for licensure in Massachusetts, providing they meet all other requirements. Approval of the program will be considered at the time of the next seven-year program review.

(2) Program Approval Standards. Each sponsoring organization seeking approval of its preparation program(s) shall provide evidence addressing the following Program Approval Standards, in accordance with the Guidelines for Program Approval.

(a) Continuous Improvement: Demonstrate continuous improvement by conducting an annual evaluation to assess program compliance, effectiveness, and impact using an evidence-based system that includes the analysis of state available data to ensure continuous improvement.

(b) Collaboration and Program Impact: Collaborate with school districts to ensure positive impact in meeting the needs of the districts.

(c) Capacity: Create, deliver and sustain effective preparation programs.

(d) Subject Matter Knowledge:

1. Initial License - Subject Matter Knowledge: Ensure Demonstrate that program completers have content mastery based on the subject matter knowledge requirements; 603 CMR 7.06, 7.07, 7.09, and 7.11, at the level of an initially licensed educator.

2. Professional License - Advanced Subject Matter Knowledge: Ensure Demonstrate that program completers have advanced content mastery based on the subject matter knowledge requirements; 603 CMR 7.06 and 7.07, at the level of a professionally licensed educator.

(e) Professional Standards for Teachers:

1. Initial License - Professional Standards for Teachers: Ensure Demonstrate that program completers have been assessed and mastered the Professional Standards for Teachers at the level of an initially licensed teacher.

2. Professional License - Advanced Professional Standards for Teachers: Ensure Demonstrate that program completers have been assessed and
mastered the Professional Standards for Teachers at the level of a professionally licensed teacher.

(f) Professional Standards for Administrative Leadership: Ensure Demonstrate that program completers have been assessed and mastered the Professional Standards for Administrative Leadership at the level of an initially licensed administrator.

(g) Educator Effectiveness: Demonstrate effectiveness of program completers Analyze and using aggregate evaluation ratings data of program completers, employment data on program completers employed in the Commonwealth of Massachusetts, results of survey data, and other available data to improve program effectiveness.

(3) Preparation.

(a) Initial License. All sponsoring organizations with approved programs leading to the Initial license shall provide preparation that addresses subject matter knowledge requirements for the license, in accordance with the Subject Matter Knowledge Guidelines. See 603 CMR 7.06, 7.07, 7.09, and 7.11. The following additional requirements apply to baccalaureate teacher preparation programs:

1. For elementary, teacher of students with moderate disabilities, teacher of students with severe disabilities, teacher of the deaf and hard of hearing, and teacher of the visually impaired licenses: not less than 36 semester hours in upper and lower level arts and sciences coursework addressing the relevant subject knowledge topics for those licenses set forth in 603 CMR 7.06. Some of this coursework might also count toward the required arts or sciences major or general education requirements.
2. For middle school licenses: 36 semester hours in a mathematics/science or English/history program of studies. This does not exclude the possibility of obtaining a single subject license in any of these subjects for grades 5-8.
3. For the general science license: at least 36 semester hours addressing the topics for the general science license.

(b) Professional License. Sponsoring organizations with approved preparation programs leading to the Professional license shall provide preparation that satisfies the requirements in 603 CMR 7.04 (2) c. a., b. i., or c. i. Coursework and experiences used by candidates to satisfy the requirements for an Initial license may not be used to satisfy the requirements for the Professional license in the same field. The academic disciplines appropriate to the instructional field of the Professional license sought are specified in appropriate provisions of 603 CMR 7.06 for teachers and in 603 CMR 7.07 for specialist teachers the Subject Matter Knowledge Guidelines.

1. Approved teacher or specialist teacher license programs sponsored by an alternative preparation organization of at least 50 contact hours of content-based seminars beyond the induction year.
2. Approved master’s or higher graduate programs sponsored by accredited higher education institutions.
   a. For early childhood, elementary, physical education, teacher of students with moderate disabilities, teacher of students with
severe disabilities, teacher of the deaf and hard of hearing, teacher of the visually impaired, and other teacher licenses at levels PreK-8: at least half the credits are in any combination of: upper-level undergraduate or graduate courses in arts or sciences or in professional schools, in the subject matter knowledge of the license sought; and pedagogical courses advanced beyond those for the Initial license based on subject matter knowledge of the Professional license sought.

b. For specialist teacher licenses and teacher licenses at levels 5-12 and All: at least half the credits are in upper level undergraduate or graduate level courses in arts or sciences or in professional schools and are in subject matter knowledge or pedagogical courses advanced beyond those for the Initial license based on the subject matter knowledge of the Professional license sought.

c. For teacher licenses at levels 8-12: at least half the credits are in graduate level courses in arts or sciences or in professional schools, in subject matter knowledge or pedagogical courses advanced beyond those for the Initial license based on the subject matter knowledge of the Professional license sought.

(4) **Annual Reporting.** All sponsoring organizations shall submit to the Department an annual report that includes the following information for each approved preparation program, in a form prescribed by the Department:

(a) Substantial changes to a program

(b) Candidate data:

1. Number and list of candidates enrolled.
2. Number and list of candidates completing all coursework, except the practicum/practicum equivalent.
3. Number and list of program completers.
4. Demographics:
   i. Race
   ii. Ethnicity
   iii. Gender

(c) Faculty and Staff data:

1. Number of full-time equivalent
2. Number of part-time equivalent
3. Demographics:
   i. Race
   ii. Ethnicity
   iii. Gender

(d) Annual Goals and Attainment
(e) Program with Zero Program Completers:

1. Reasons for zero program completers
2. Plans for increasing enrollment and number of program completers.

(f) Types of District Partnerships and Collaborations.

(5) **Public Reporting.** The Department shall publish an annual report including, but not limited to the following information for each sponsoring organization and approved preparation programs:

(a) Sponsoring Organization General Information

(b) Candidate Data

(c) Faculty and Staff Data

(d) District Partnerships and Collaborations

(e) Annual Goals and Attainment

(f) List of Approved Programs and Program of Study

(g) Admission Requirements for Approved Programs

(h) Manner of Exit from the Approved Program and Persistence Rates

(i) MTEL Pass Rates:

1. Single assessment and aggregate pass rates on licensing tests or assessments as required by 603 CMR 7.00.
2. Summary pass rates on licensing tests or assessments as required by 603 CMR 7.00 at the point of: enrollment, completion of all coursework but the practicum/practicum equivalent, and program completion.

(j) State Administered Survey Data from:

1. Candidates enrolled in an approved program.
2. Candidates who have completed all coursework, but the practicum/practicum equivalent.
3. Program completers
4. District personnel

(k) Aggregate Employment Data of Program Completers employed in the Commonwealth of Massachusetts

(l) Aggregate Evaluation Ratings of Program Completers

(6) **Revoking Approval.**
(a) The Department may conduct an interim review of an approved preparation program on an as-needed basis to corroborate and augment the information provided by an approved preparation program pursuant to 603 CMR 7.03 (4), or during the seven-year cycle review.

(b) Following the interim review, if the approved preparation program fails to meet the requirements and benchmarks set forth in 7.03 (2) and (3) and the Guidelines for Program Approval, it shall receive a designation of low performing.

(c) The sponsoring organization shall submit an improvement plan to the Department for any of its programs that receive the designation of low performing. The Department will monitor progress in meeting the goals of the improvement plan. If, after one year under review, a program has not made satisfactory progress, its approval may be revoked. The Commissioner may extend the review for a second year if additional data must be collected, e.g., for small programs with enrollment of less than ten.

(d) The Commissioner will make the final determination regarding revocation of state approval.

(7) **Restoring Approval.**

(a) A sponsoring organization must wait two years after approval of an educator preparation program has been revoked before it can apply to the Department to restore approval. The sponsoring organization shall submit written documentation of how it will address the requirements set forth in 603 CMR 7.03 (2) through (4).

(b) The Department will review the written documentation to determine whether the organization and its program(s) satisfy all of the requirements set forth in 603 CMR 7.03 (2) through (4). Programs that demonstrate that they satisfy the requirements set forth in 603 CMR 7.03 (2) and (3) will be allowed to recruit students.

(8) **Implementation**

(a) Approved programs leading to licenses set forth in 603 CMR 7.06 will be required to implement the requirements set forth in 603 CMR 7.08 by July 1, 2016.

(b) Approved programs leading to licenses set forth in 603 CMR 7.06 will be required to implement new subject matter knowledge in accordance with the Subject Matter Knowledge Guidelines within 18 months of issuance of the new or updated Subject Matter Knowledge Guidelines.

**7.04: Types of Educator Licenses, Requirements for Licensure, Licenses Issued, and Requirements for Field-Based Experience**

(1) **Types of Licenses.**

(a) Provisional
(b) Initial

7.05: Routes to Initial Teacher and Specialist Teacher Licenses

(1) **Route One** is for teacher candidates who complete a Massachusetts approved preparation program as set forth in 7.03 receive their preparation in approved undergraduate programs. Route One cannot be used to prepare for a license as a library teacher. Teacher candidates seeking licensure under Route One shall meet the following requirements:

(a) Bachelor’s degree.
(b) Completion of an approved program as set forth in 7.03 (2) (a).
(c) Passing score on the Communication and Literacy Skills test.
(d) Passing score on the subject matter knowledge test(s) appropriate to the license sought, based on the subject matter knowledge requirements set forth in the Subject Matter Knowledge Guidelines 603 CMR 7.06 and 7.07.
(e) For core academic teachers, possession of an SEI Teacher Endorsement.

(2) **Route Two** is for teacher candidates who receive their preparation in approved post-baccalaureate programs, including approved alternative programs. Teacher candidates seeking licensure under Route Two must meet the following requirements:

(a) Bachelor’s degree.
(b) Completion of an approved program as set forth in 7.03 (2) (a).
(c) Passing score on the Communication and Literacy Skills test.
(d) Passing score on the subject matter knowledge test(s) appropriate to the license sought, based on the subject matter knowledge requirements in 603 CMR 7.06 and 7.07.
(e) For core academic teachers, possession of an SEI Teacher Endorsement.

(3) **Route Three** is for teacher candidates who hold a Preliminary license, serve in a school and are either hired as teachers of record or are serving an apprenticeship in a classroom under the direct supervision of a teacher who holds an appropriate license. Candidates seeking licensure under Route Three shall meet the following requirements:

(a) Possession of a Preliminary license in the field and at the level of the license sought. See 603 CMR 7.04 (2) (a).
(b) An approved program for the license sought.
(c) For core academic teachers, possession of an SEI Teacher Endorsement.

(4) **Route Four** is the Performance Review Program for Initial Licensure (PRPIL) process for teacher candidates who hold a Provisional Preliminary license and are hired as teachers of record, and are working in a district that does not have an approved program for the Initial license. The PRPIL process is through a Department approved provider. Route Four is not available for the following teacher and specialist teacher licenses: early childhood, elementary, library, teacher of students with moderate disabilities, teacher of students with severe disabilities, teacher of the deaf and hard of hearing, teacher of the visually impaired, academically advanced, reading, and speech/language/hearing disorders. Candidates seeking licensure under Route Four shall meet the following eligibility requirements:
(a) Possession of a Provisional license in the field and at the level of the license sought. See 603 CMR 7.04 (2) (a).
(b) At least three full years of employment in the role of the Provisional license.
(c) Documentation of seminars, courses, and experience relevant to the Professional Standards for Teachers in 603 7.08 (1), (2), and (3).
(d) A recommendation from the principal of each school where the candidate was employed under the Provisional license or in the role of the license sought.
(e) A competency review for those license fields that have no subject matter knowledge test, or for which not all the subject matter knowledge required for the license is measured by the test.
(f) For core academic teachers, possession of an SEI Teacher Endorsement.

**Route ThreeFive** is for candidates from outside Massachusetts. Candidates seeking licensure under Route ThreeFive shall meet the following requirements:

(a) Evidence of one of the following:

1. Completion of a state-approved educator preparation program in a state with which Massachusetts has signed the NASDTEC Interstate Agreement or other agreement accepted by the Commissioner.
2. Completion of an educator preparation program sponsored by a college or university outside Massachusetts that has been accredited by a national organization accepted by the Commissioner, such as the National Council for Accreditation of Teacher Education (NCATE).
3. Possession of a Regional Credential.
4. Possession of the equivalent of at least an Initial license/certificate issued by a state with which Massachusetts has signed the NASDTEC Interstate Agreement or other agreement accepted by the Commissioner and three years of employment under such license/certificate during the previous seven years.
5. For educators prepared outside of the United States, completion of a Panel Review in accordance with Department guidelines.

(b) Passing score on the Communication and Literacy Skills test.
(c) Passing score on the subject matter knowledge test(s) appropriate to the license sought, where available, based on the subject matter knowledge requirements set forth in the Subject Matter Knowledge Guidelines, 603 CMR 7.06 and 7.07.
(d) For core academic teachers, possession of an SEI Teacher Endorsement.

**7.06: Subject Matter Knowledge Requirements**

**Application.** The Subject Matter Knowledge Requirements are used by sponsoring organizations in designing their teacher preparation programs and in preparing their candidates. The subject matter knowledge requirements are also used by the Department in reviewing programs seeking state approval, and as the basis for the Massachusetts Tests for Educator Licensure.
**Requirements.** The Department shall publish guidelines with detailed subject matter knowledge requirements for licenses set forth in 7.04 (3) (a), (b), (c) 5. and (d) 1. and 4.

The specific subject matter knowledge that an educator must have/demonstrate in order to obtain a license are detailed in subject matter guidelines. When necessary, changes and updates to the subject matter knowledge requirements require a public comment period and these guidelines require approval from the Commissioner.

**7.06: Subject Matter Knowledge Requirements for Teachers**

(1) Biology (Levels: 5-8; 8-12)

(a) Biology of organisms, especially that of humans, including characteristics and classifications of organisms.
(b) Cells and cell theory.
(c) Ecology and evolutionary biology.
(d) Matter and energy in ecosystems.
(e) Genetics; including chromosome structure and function and inheritance.
(f) Molecular biology.
(g) Related aspects of chemistry, physics, earth science, and mathematics, such as statistics.
(h) Engineering and technical applications of biology.
(i) History and philosophy of science.
(j) Methods of research in the sciences, including laboratory techniques and the use of computers.

Similarities and differences between the target language and English.
Theories of, and differences between, first and second language acquisition.
(b) The topics set forth in 603 CMR 7.06 (10) (a) 1., 6., and 7. and the following topics will be addressed on a subject matter knowledge test for the 5-12 level:
Knowledge of culturally and historically significant literary and non-literary texts and authors associated with the country of origin of the target language; literary traditions, periods, and genres.
Introductory knowledge of the other arts (historical traditions, genres, and major artists) associated with the country of origin of the target language.
Introductory knowledge of the political, social and intellectual history of the country or culture with which the target language is or was originally associated.
Introductory knowledge of significant literary and non-literary texts, the arts, and history of at least one other country or people with which the target language may now be associated.
(c) The following topics will be addressed on a subject matter knowledge test for American Sign Language at the PreK-6 and 5-12 grade levels:
Expressive and receptive fluency in American Sign Language at a level of proficiency set by the Board.
Knowledge of deaf history.
Knowledge of deaf culture.
Introductory knowledge of deaf art.
Knowledge of different literary genres; for example, children’s literature, poetry, and games associated with the deaf.
Theories of first and second language acquisition for American Sign Language.
Similarities and differences in the linguistic structure of American Sign Language and English.
Knowledge of methods of instruction in American Sign Language.
Knowledge of philosophies of American Sign Language.
(11) General Science (Levels: 1-6; 5-8)
(a) The following topics will be addressed on a subject matter knowledge test for the 1-6 level:
Basic principles and concepts of the life sciences appropriate to the elementary school curriculum.
Basic principles and concepts of the physical sciences appropriate to the elementary school curriculum.
History and philosophy of science.
Safety issues related to science investigations.
(b) The topic set forth in 603 CMR 7.06 (11) (a) 3. and the following topics will be addressed on a subject matter knowledge test for the 5-8 level:
Intermediate knowledge of biology, chemistry, physics, earth/space science, and related mathematics.
Methods of research in the sciences, including laboratory techniques and the use of computers.

(12) Health/Family and Consumer Sciences (Levels: All)
(a) Human growth and development: physical (anatomy and physiology), emotional/mental, social, intellectual, and moral.
(b) Food science and nutrition.
(c) Physical fitness.
(d) Human sexuality.
(e) Disease prevention and control.
(f) First aid, safety, and injury prevention.
(g) Tobacco, alcohol, and other substance abuse prevention.
(h) Current topics in health education, including family violence, child abuse, suicide, sexually transmitted diseases (including AIDS), teen pregnancy, violence prevention, and eating disorders.
(i) Parenting skills, early childhood education, and care.
(j) Family and interpersonal relationships.
(k) Public health functions and responsibilities.
(l) Management skills for family/consumer health and finance.

(13) History (Levels: 1-6; 5-8; 8-12)
(a) The following topics will be addressed on a subject matter knowledge test for the 1-6 level:
United States history from the age of exploration to the Civil War.
World history from human beginnings and ancient and classical civilizations of the Mediterranean area; and English and Western European history through the Enlightenment.

1. Geography: major physical features of the world and key concepts of geography.
2. Basic economic principles and concepts.
3. United States political principles, institutions, and processes, their history and development.
4. Major developments and figures in Massachusetts history.

(b) The following topics will be addressed on a subject matter knowledge test for the 5-8 and 8-12 levels:

1. United States History: indigenous people of North America; European settlements and colonies; the American Revolution; expansion, reform, and economic growth of the United States up to the Civil War; the Civil War and Reconstruction; European immigration, industrialization, and scientific and technological progress; the two World Wars; and the United States from 1945 to the present.
2. World History: human beginnings and early civilizations (Africa, Mesopotamia, Phoenicia, Egypt, India, China); roots of Western civilization (Israel, Greece, Rome); English and Western European history; Renaissance and the age of exploration; development of Asia, Africa, and South America; age of revolutionary change in Europe; the world in the era of two World Wars; and the world from 1945 to the present.
3. Geography.
   a. Major physical features of the world.
   b. Key concepts of geography and its effects on various peoples.
4. Economics.
   a. Fundamental economic concepts and economic reasoning.
   b. American economic history.
5. Government.
   b. Comparative government.
6. History and Philosophy of Science.
7. Methods and Sources for Research in History.

(14) Instructional Technology (Levels: All)

(a) The following topics will be addressed on a test of subject matter knowledge:

1. Technology tools for word processing, databases, spreadsheets, print/graphic utilities, multi- and hypermedias, presentations, videos for the purpose of formal and informal assessment, instruction, and administration for professional and instructional use.
2. Communications and research tools such as email, world-wide web, web browsers, and other online applications that link to the state standards and requirements, for professional and instructional use.
3. Criteria for selection, evaluation, and use of appropriate computer/technology based materials to support a variety of instructional methods.
4. Ethical and social issues surrounding privacy, copyright, and crime relating to educational technology and resources.

(b) The following topics shall be included in an approved program but will not be addressed on a test of subject matter knowledge:

1. Use of resources for adaptive/assistive devices that provide access for all students.
2. Methods to support classroom teachers and other school personnel in improving student learning through appropriate use of technology in the classroom, including consultation techniques and professional development.

(15) Latin and Classical Humanities (Levels: 5-12)

(a) Selections commonly read in secondary schools from the works of Cicero, Caesar, Catullus, Vergil, Horace, Ovid, and Pliny the Younger in the original Latin.
(b) How English words are derived and formed from Greek and Latin prefixes, bases, and suffixes, and the influence of Greek and Latin on the technical vocabulary of the arts, sciences, and professions (medical and legal).
(c) Works of Greek literature in translation including Herodotus, Homer, Plato, Sappho, Thucydides, and the four major dramatists.
(d) Culture and history of ancient Greece and Rome, with emphasis on those elements that contributed to the foundation of modern Western civilization, including:

1. Major myths and legends.
2. Significant characteristics of classical art, architecture, and technology.
3. Major genres of literature.
4. Political, social, and economic institutions.

(e) Linguistics and theories of classical language acquisition.
(f) Methods of research and criticism as they apply to the study of Latin and classical humanities.
(g) Basic reading knowledge of the Greek language as demonstrated by ability to translate from the first book of Homer's Iliad or from Plato's Apology.
(h) Knowledge of grammar and syntax of classical Latin.

(16) Library (Levels: All)

(a) Characteristics, uses, and design of information systems, for standard reference sources and appropriate technologies.
(b) Selection, acquisition, organization, and maintenance of information resources.
(c) Appropriate equipment for using information resources.
(d) Development, organization, management, and evaluation of school library media programs and resource centers.
(e) Literature for children and young adults.
(f) Selection, adaptation, and production of instructional materials.
(g) Federal and state laws and regulations pertaining to media, including those governing access to and reproduction of materials.
(h) Ethical issues affecting library media services.
(i) Community and governmental resources.

(17) Mathematics (Levels: 1-6; 5-8; 8-12)

(a) The following topics will be addressed on a subject matter knowledge test for the 1-6 level:

1. Basic principles and concepts related to elementary school mathematics in the areas of number sense and numeration, patterns and functions, geometry and measurement, and data analysis.
2. Algebra.
3. Euclidean geometry.

(b) The following topics will be addressed on a subject matter knowledge test for the 5-8 level:

1. Algebra.
2. Euclidean geometry.
3. Trigonometry.
5. Introductory calculus through integration.

(c) The topics set forth in 603 CMR 7.06 (17) (b) and the following topics will be addressed on a subject matter knowledge test for the 8-12 level:

1. Abstract algebra.
2. Number theory.
3. Calculus through differential equations.
4. Probability and statistics.
5. Non-Euclidean and transformational geometries.
6. Applied mathematics or mathematics modeling.

(18) Middle School: Humanities (English and History) (Levels: 5-8)

(a) English

1. Literature
   a. American literature including the Colonial Period; the Revolutionary Period; American Romanticism and the American Renaissance (to include Hawthorne, Emerson, Melville, Whitman, and Thoreau); the Civil War and the post-war period; and fiction, poetry, and drama from the early 20th century to the present.

3. Geography:
   a. Major physical features of the world.
   b. Key concepts of geography and its effects on various peoples.
4. Economics:
   a. Fundamental economic concepts and economic reasoning.
   b. American economic history.
6. Methods and Sources for Research in History.

(c) Reading theory, research, and practice at the middle school level.

(19) Middle School: Mathematics/Science (Levels: 5–8)

(a) General Science.

1. Intermediate knowledge of biology, chemistry, physics, earth/space science, and related mathematics.
2. History and philosophy of science.
3. Methods of research in the sciences, including laboratory techniques and the use of computers.

(b) Mathematics.

1. Algebra.
2. Euclidean geometry.
3. Trigonometry.
5. Introductory calculus through integration.

(c) Reading theory, research, and practice at the middle school level.

(20) Music: Vocal/Instrumental/General (Levels: All)

(a) The following topics will be addressed on the test of subject matter knowledge:

1. Traditional Western music theory and harmony.
2. Score reading and musical analysis.
3. Music history and literature, including the following:
   a. Western (European) - early Gregorian chant to present.
   b. American music - 1650 to present (including ethnic folk, jazz, Broadway, and classic streams).
   c. Introductory knowledge of at least two other musical traditions with contrasting compositional and performance characteristics and genres.

5. Knowledge of at least one special approach to music education for students, such as Orff Schulwerk, Kodály, Dalcroze, Suzuki, Gordon.

7. Introductory knowledge of choral literature and conducting techniques.

8. Introductory knowledge of instrumental literature and conducting techniques.

(b) The following topics shall be included in an approved program but will not be addressed on the test of subject-matter knowledge:

1. Singing skills and basic vocal production.
2. Sight singing and music reading, using standard notation.
3. Intermediate level of keyboard proficiency.
4. Use of technologies in music.
5. Advanced vocal proficiency.
6. Choral methods for treble, changing, and high school voices.
7. Advanced instrumental proficiency on one instrument.
8. Instrumental methods on strings, woodwinds, brass, percussion.

(21) Physical Education (Levels: PreK-8; 5-12)

(a) Principles of developmentally sound physical health and fitness. (b) Lifespan growth, development, and nutrition. (c) History and foundations of kinesiology. (d) Range of appropriate play and sports for PreK-12 and the relevant motor skills. (e) Knowledge of appropriate physical and safety limitations, legal standards, tort liability, and first aid and Cardiac Pulmonary Resuscitation (CPR). (f) Knowledge of adaptations for students with disabilities.

(22) Physics (Levels: 5-8; 8-12)

(a) Mechanics (including fluid mechanics). (b) Heat, heat transfer, and thermodynamics. (c) Kinetic theory of gases. (d) Light and geometric optics. (e) Electricity and magnetism. (f) Waves (sound and light). (g) The atom: its structure and the nucleus (including nuclear reactions). (h) Quantum theory of the atom. (i) Quantum theory of light. (j) Engineering and technical application of physics. (k) Related aspects of biology, chemistry, earth science and mathematics, such as trigonometry, vector analysis, and calculus. (l) History and philosophy of science. (m) Methods of research in the sciences, including laboratory techniques and the use of computers.
(23) Political Science/Political Philosophy (Levels: 5-8; 8-12)

(a) Civics and Government.

1. The founding documents of the United States and Massachusetts.
2. American government and politics.
3. Comparative government.
4. Theories of political science or philosophy.
5. International relations.

(b) History.

1. United States history.
2. Western civilization.
3. World history.

(c) Geography.

1. Major physical features of the world.
2. Key concepts of geography and its effects on various peoples.

(d) Economics.

Fundamental economic concepts and economic reasoning.

American economic history.

(e) Methods and sources for research in the social sciences.

(24) Speech (Levels: All)

(a) Classical, modern, and contemporary theories of rhetoric. (b) Role of oratory, public argument, and debate in democratic societies. (c) History of the public speaking lecture circuits of the 19th century. (d) Important orations in American history through the 20th century (including speeches made in other countries that have had an impact on American history). (e) How to compose and deliver a public speech. (f) Rules of evidence that should govern persuasive messages. (g) Persuasive techniques used by professional persuaders. (h) Parliamentary procedure and other essential elements in conducting meetings. (i) Structure of oral English, standard English usage, and appropriate speech in variety of situations. (j) Requirements for critical listening and responding to messages. (k) United States Supreme Court decisions on freedom of speech. (l) Strategies for managing fear of public speaking.

(25) Teacher of Students with Moderate Disabilities (Levels: PreK-8; 5-12)

(a) Teachers seeking a license as a teacher of students with moderate disabilities for PreK-8 must meet the requirements set forth in 603 CMR 7.06 (25) (b) (c) and (d); those seeking this license for 5-12 must meet the requirements set forth in 603 CMR 7.06 (25) (b) and (d) and pass either the General Curriculum test or a subject matter test in one of the following academic subjects: English, mathematics, science (biology, chemistry, earth science, general science, and
physics), history, middle school humanities, middle school mathematics/science, or political science/political philosophy at the 5-8 or 8-12 grade level.

(b) The following topics will be addressed on the Foundations of Reading test:

Reading theory, research, and practice.

Knowledge of the significant theories, approaches, practices, and programs for developing reading skills and reading comprehension.

Phonemic awareness and phonics: principles, knowledge, and instructional practices.

Diagnosis and assessment of reading skills using standardized, criterion-referenced, and informal assessment instruments.

Development of a listening, speaking, and reading vocabulary.

Theories of the relationships between beginning writing and reading.

Theories of first and second language acquisition and development.

(c) The following topics will be addressed on the General Curriculum test:

English.

Children’s and young adult literature.

Adult literature, classical and contemporary works.

Genres, literary elements, and literary techniques.

Approaches and practices for developing skill in using writing tools.

Writing process and formal elements of writing and composition.

Mathematics.

Basic principles and concepts important for teaching elementary school mathematics in the following areas:

Number and operations (the foundation of topics in 603 CMR 7.06 (7) (b) 2. a. ii.–iv.).

Functions and algebra.

Geometry and measurement.
Statistics and probability.

Candidates shall demonstrate that they possess both fundamental computation skills and comprehensive, in-depth understanding of K-8 mathematics. They must demonstrate not only that they know how to do elementary mathematics, but that they understand and can explain to students, in multiple ways, why it makes sense.

The Commissioner, in consultation with the Chancellor of Higher Education, shall issue guidelines for the scope and depth of knowledge expected in mathematics, described in 603 CMR 7.06 (7) (b) 2 a. and b.

History and Social Science.

Major developments and figures in Massachusetts and U.S. history from colonial times to the present.

Major developments and figures in world history, with stress on Western civilization.

Basic economic principles and concepts.

Basic geographical principles and concepts.

U.S. political principles, ideals, founding documents, institutions, and processes, their history and development.

Science and Technology/Engineering.

Basic principles and concepts of the life sciences appropriate to the elementary school curriculum.

Basic principles and concepts of the physical sciences appropriate to the elementary school curriculum.

Principles and procedures of scientific inquiry.

History of major scientific and technological discoveries or inventions.

Safety issues related to science investigations.

(d) The following topics shall be included in an approved program but will not be addressed on a written test of subject matter knowledge:

Educational terminology for students with mild to moderate disabilities.

Preparation, implementation, and evaluation of Individualized Education Programs (IEPs).

Design or modification of curriculum, instructional materials, and general education classroom environments for students with moderate disabilities.
Instruction on the appropriate use of augmentative and alternative communication and other assistive technologies.

Ways to prepare and maintain students with disabilities for general education classrooms; for example, use of behavioral management principles.

Knowledge of services provided by other agencies.

Federal and state laws and regulations pertaining to special education.

Science laboratory work.

Child development.

Basic theories of cognitive, social, emotional, language, and physical development from childhood through adolescence.

Characteristics and instructional implications of moderately and severely disabling conditions.

(26) Teacher of Students with Severe Disabilities (Levels: All)

(a) The following topics will be addressed on the General Curriculum test:

English:

Children's and young adult literature.

Adult literature, classical and contemporary works.

Genres, literary elements, and literary techniques.

Approaches and practices for developing skill in using writing tools.

Writing process and formal elements of writing and composition.

Mathematics:

Basic principles and concepts important for teaching elementary school mathematics in the following areas:

Number and operations (the foundation of topics in 603 CMR 7.06 (7) (b) 2. a. ii.–iv.).

Functions and algebra.

Geometry and measurement.
Statistics and probability.

Candidates shall demonstrate that they possess both fundamental computation skills and comprehensive, in-depth understanding of K-8 mathematics. They must demonstrate not only that they know how to do elementary mathematics, but that they understand and can explain to students, in multiple ways, why it makes sense.

The Commissioner, in consultation with the Chancellor of Higher Education, shall issue guidelines for the scope and depth of knowledge expected in mathematics, described in 603 CMR 7.06 (7) (b) 2 a. and b.

History and Social Science.

Major developments and figures in Massachusetts and U.S. history from colonial times to the present.

Major developments and figures in world history, with stress on Western civilization.

Basic economic principles and concepts.

Basic geographical principles and concepts.

U.S. political principles, ideals, founding documents, institutions, and processes, their history and development.

Science and Technology/Engineering.

Basic principles and concepts of the life sciences appropriate to the elementary school curriculum.

Basic principles and concepts of the physical sciences appropriate to the elementary school curriculum.

Principles and procedures of scientific inquiry.

History of major scientific and technological discoveries or inventions.

Safety issues related to science investigations.

(b) The following topics shall be included in an approved program but will not be addressed on a test of subject-matter knowledge:

Definitions, etiologies, and characteristics of severely disabling conditions.

Theories, concepts, and methods of assessing physical, emotional, intellectual, and social development in children and adolescents.

Theories of language development and the effects of disabilities on learning.
Reading.

Reading theory, research, and practice.

Knowledge of the significant theories, practices, and programs for developing reading skills and reading comprehension.

Phonemic awareness and phonics: principles, knowledge, and instructional practices.

Diagnosis and assessment of reading skills using standardized, criterion-referenced, and informal assessment instruments.

Development of a listening, speaking, and reading vocabulary.

Theories on the relationships between beginning writing and reading.

Theories of first and second language acquisition and development.

Preparation, implementation, and evaluation of Individualized Education Programs (IEPs).

How to design or modify curriculum, instructional materials, and classroom environments for students with severe disabilities.

Ways to prepare and maintain students with severe disabilities for general education classrooms; for example, use of behavioral management principles.

Knowledge of services provided by other agencies.

Knowledge of appropriate vocational or alternative school programs, or work-study and community-based opportunities and alternative high school programs and how to refer students to them.

Federal and state laws pertaining to special education.

Techniques for developing skills designed to facilitate placement in least restrictive environments.

Instruction on the appropriate use of augmentative and alternative communication and other assistive technologies.

Source and operation of orthotic devices, medical technologies, and computer-moderated prosthetic devices.

(27) Teacher of the Deaf and Hard-of-Hearing: American Sign Language/Total Communication or Oral/Aural (Levels: All)

(a) The following topics will be addressed on the General Curriculum test:
English.

Children’s and young adult literature.

Adult literature, classical and contemporary works.

Genres, literary elements, and literary techniques.

Approaches and practices for developing skill in using writing tools.

Writing process and formal elements of writing and composition.

Mathematics.

Basic principles and concepts important for teaching elementary school mathematics in the following areas:

The Commissioner, in consultation with the Chancellor of Higher Education, shall issue guidelines for the scope and depth of knowledge expected in mathematics, described in 603 CMR 7.06 (7) (b) 2 a. and b.

History and Social Science.

Major developments and figures in Massachusetts and U.S. history from colonial times to the present.

Major developments and figures in world history, with stress on Western civilization.

Basic economic principles and concepts.

Basic geographical principles and concepts.
U.S. political principles, ideals, founding documents, institutions, and processes, their history and development.

Science and Technology/Engineering.

Basic principles and concepts of the life sciences appropriate to the elementary school curriculum.

Basic principles and concepts of the physical sciences appropriate to the elementary school curriculum.

Principles and procedures of scientific inquiry.

History of major scientific and technological discoveries or inventions.

Safety issues related to science investigations.

(b) The following topics shall be included in an approved program but will not be addressed on a written test of subject matter knowledge:

Theories of language acquisition for American Sign Language (ASL) and English in hearing and deaf and hard-of-hearing children.

Theories on the relationship between ASL and the English language.

Similarities and differences in the linguistic structure of ASL and English.

Benefits and limitations of ASL, spoken English, and printed English for learning, and the instructional strategies for using them.

Knowledge of how deaf people live their daily lives.

Historical and current developments in deaf education in the United States and other countries.

Features of family support and services.

Similarities and differences between hearing and deaf and hard-of-hearing students in emotional, social, and intellectual development.

Ways to prepare deaf and hard-of-hearing students for classrooms ranging from general education classrooms to schools for the deaf and hard of hearing.

Design or modification of the curriculum and instructional materials for the deaf and hard-of-hearing.

General and specific effects of hearing loss upon the production of speech and the reception of speech and other sounds.

General and specific effects of visual processing and reception of a visual language and its acquisition.

Anatomy and physiology of human speech, hearing, and language mechanisms.

Knowledge of state-of-the-art diagnostic instruments; procedures for testing and interpreting results.

Characteristics of types of amplification equipment and their uses by teachers and students.

Medical, social, ethical, and educational research relating to the deaf and hard-of-hearing, including the effects of cochlear implants on language learning.

Preparation, implementation, and evaluation of Individualized Education Programs (IEPs).

Federal and state laws pertaining to special education.

Science laboratory work.

Child development.

Basic theories of cognitive, social, emotional, language, and physical development from childhood through adolescence.

Characteristics and instructional implications of moderately and severely disabling conditions.

(c) For the Teacher of the Deaf and Hard-of-Hearing: American Sign Language/Total Communication. Passing score on a test of sign language proficiency approved by the Department.

(d) For the Teacher of the Deaf and Hard of Hearing: Oral/Aural. Passing score on the Foundations of Reading test.

(28) Teacher of the Visually Impaired (Levels: All)

(a) The following topics will be addressed on the General Curriculum test:

English.

Children’s and young adult literature.

Adult literature, classical and contemporary works.

Genres, literary elements, and literary techniques.

Approaches and practices for developing skill in using writing tools.

Writing process and formal elements of writing and composition.

Mathematics:

Basic principles and concepts important for teaching elementary school mathematics in the following areas:

Number and operations (the foundation of topics in 603 CMR 7.06 (7) (b) 2. a. ii.–iv.).

Functions and algebra.

Geometry and measurement.

Statistics and probability.

Candidates shall demonstrate that they possess both fundamental computation skills and comprehensive, in-depth understanding of K-8 mathematics. They must demonstrate not only that they know how to do elementary mathematics, but that they understand and can explain to students, in multiple ways, why it makes sense.

The Commissioner, in consultation with the Chancellor of Higher Education, shall issue guidelines for the scope and depth of knowledge expected in mathematics, described in 603 CMR 7.06 (7) (b) 2. a. and b.

History and Social Science:

Major developments and figures in Massachusetts and U.S. history from colonial times to the present.

Major developments and figures in world history, with stress on Western civilization.

Basic economic principles and concepts.

Basic geographical principles and concepts.

U.S. political principles, ideals, founding documents, institutions, and processes, their history and development.

Science and Technology/Engineering:

Basic principles and concepts of the life sciences appropriate to the elementary school curriculum.
Basic principles and concepts of the physical sciences appropriate to the elementary school curriculum.

Principles and procedures of scientific inquiry.

History of major scientific and technological discoveries or inventions.

Safety issues related to science investigations.

(b) The following topics will be addressed on the Foundations of Reading test:

Reading theory, research, and practice.

Knowledge of the significant theories, practices, and programs for developing reading skills and reading comprehension.

Phonemic awareness and phonics: principles, knowledge, and instructional practices.

Diagnosis and assessment of reading skills using standardized, criterion-referenced, and informal assessment instruments.

Development of a listening, speaking, and reading vocabulary.

Theories on the relationships between beginning writing and reading.

Theories of first and second language acquisition and development.

(c) The following topics shall be included in an approved program but will not be addressed on a written test of subject matter knowledge:

Similarities and differences between visually impaired and non-visually impaired children in emotional, social, physical, and intellectual development.

Anatomy and physiology of the eye and visual abnormalities.

Historical and current developments in education of the visually impaired in the United States and other countries.

How to use state-of-the-art diagnostic information.

Medical and educational research related to the visually impaired.

Use of Grade II Braille and the Nemeth Code.

Use of assistive technology such as low-vision devices.

Design or modification of the curriculum and instructional materials for the visually impaired.
Ways to prepare visually impaired students for classrooms ranging from general education classrooms to schools for the visually impaired.

Features of family support and services.

Preparation, implementation, and evaluation of Individualized Education Programs (IEPs).

Federal and state laws pertaining to special education.

Science laboratory work.

Child development.

Basic theories of cognitive, social, emotional, language, and physical development from childhood through adolescence.

Characteristics and instructional implications of moderately and severely disabling conditions.

(29) Technology/Engineering (Levels: 5-12)

(a) Nature of engineering and technology systems.
(b) Engineering concepts in specific fields: manufacturing, construction, communication, power, energy, and transportation technologies.
(c) Engineering design and technology development process.
(d) How to use tools, machinery, and materials properly and safely.
(e) Environmental effects of engineering/technology.
(f) Skill in technical reading and writing.
(g) Requisite topics in mathematics and physical sciences.

(30) Theater (Levels: All)

(a) Principles of acting, including improvisation methods, styles, and techniques for developing voice, movement and characterization.
(b) Principles of dramatic structure and processes of playwriting, playmaking, and adaptation of literary works for the theater.
(c) Fundamentals of directing, including selection of material, script analysis, and techniques and procedures for rehearsing and staging theatrical works.
(d) Basics of stage and theater management.
(e) Knowledge of theater production, including principles of design and basic tools and techniques of technical theater.
(f) American dramatic literature in the 20th century.
(g) British, European, and classical Greek dramatic literature: historical periods, major stylistic traditions, major works and writers.
(h) History of drama.
(i) Introductory knowledge of other world drama in its cultural and historical contexts.
(j) Theater criticism: analysis and critique of works of theater and dramatic literature.
(k) Knowledge of theater for young audiences and dramatic literature for children.
(l) Appropriate practices in drama and theater education for children.
(m) Artistic development of children and adolescents in the theater arts.

(31) Visual Art (Levels: PreK-8; 5-12)

(a) Elements of art and the principles of design.
(b) Methods, materials, and techniques unique to the visual arts in: drawing, painting, sculpture, printmaking, collage, crafts, photography, film, and electronic technologies.
(c) Observation, abstraction, invention, and representation in visual art.
(d) Theories of artistic creativity and aesthetics; philosophies of prominent artists and art educators.
(e) Art criticism: concepts of style and stylistic change.
(f) Artistic development in children and adolescents.
(g) Major developments, periods, and artists in Western traditions in art and architecture.
(h) Major developments, periods, and artists in American art and architecture from circa 1650 to the present.
(i) Characteristics of art and architecture in two non-Western artistic traditions stylistically different from each other.
(j) Influences of non-Western artistic traditions on Western art; influences of Western art on non-Western artistic traditions.

7.07: Specialist Teacher Licenses

For candidates who were prepared outside Massachusetts, see 603 CMR 7.05 (53).

(1) Instructional Technology Specialist (Levels: All)

(a) Initial License.

### 7.08: Professional Standards for Teachers

(1) **Application.** The Professional Standards for Teachers define the pedagogical and other professional knowledge and skills required of all teachers. These standards and indicators referred to in 603 CMR 7.08 (2) and (3) are used by sponsoring organizations in designing their teacher preparation programs and in preparing their candidates. The standards and indicators are also used by the Department in reviewing programs seeking state approval, and as the basis of performance assessments of candidates. Candidates shall demonstrate that they meet the Professional Standards and indicators referred to in 603 CMR 7.08 (2) and (3) by passing a Performance Assessment for Initial License using Department guidelines.

(2) **Professional Standards for Teachers.**
(a) **Curriculum, Planning, and Assessment**: Promotes the learning and growth of all students by providing high quality and coherent instruction, designing and administering authentic and meaningful student assessments, analyzing student performance and growth data, using this data to improve instruction, providing students with constructive feedback on an on-going basis, and continuously refining learning objectives.

(b) **Teaching All Students**: Promotes the learning and growth of all students through instructional practices that establish high expectations, create a safe and effective classroom environment, and demonstrate cultural proficiency.

(c) **Family and Community Engagement**: Promotes the learning and growth of all students through effective partnerships with families, caregivers, community members, and organizations.

(d) **Professional Culture**: Promotes the learning and growth of all students through ethical, culturally proficient, skilled, and collaborative practice.

(3) **Indicators. The Department shall publish guidelines with detailed indicators for each standard set forth in 603 CMR 7.08(2). The guidelines shall include at least the following indicators:**

(a) Uses instructional planning, materials, and student engagement approaches that support students of diverse cultural and linguistic backgrounds, strengths, and challenges.

(b) Uses effective strategies and techniques for making content accessible to English language learners.

(c) Demonstrates knowledge of the difference between social and academic language and the importance of this difference in planning, differentiating and delivering effective instruction for English language learners at various levels of English language proficiency and literacy.

(d) Creates and maintains a safe and collaborative learning environment that values diversity and motivates students to meet high standards of conduct, effort and performance.

b. Additional supervision requirements;

c. Education, counseling, or psychiatric examination requirements; and
d. Notification to the employer of the circumstances surrounding the Commissioner’s decision to put limitations on the license holder.

(b) Investigatory Subpoenas.

1. At any stage of the investigation, the Department may request that the Commissioner or his designee issue a subpoena requiring the attendance and testimony of a witness, including the license holder, and the production of any evidence, including files, records, correspondence, or documents, relating to any matter in question in the investigation. The request shall be made in writing.

2. The subpoena shall require a witness to appear at the Department at a specified date and time and shall specify any evidence to be produced. The licensee shall not be entitled to be present, but the Department shall provide the licensee with a copy of any recorded testimony prior to any hearing under 603 CMR 7.15(8)(e).

3. Failure of a license holder to comply with a duly issued investigatory subpoena shall be grounds for revocation, suspension, limitation, or denial of a license.

(c) Procedure. No discipline license may be revoked, suspended, or limited imposed, other than by agreement, under 603 CMR 7.15(8)(a)1. until:

1. The Department has determined that there is probable cause to find that the holder's license may be revoked, suspended, or limited imposed discipline for one or more of the grounds set forth in 603 CMR 7.14 (8) (a); and

2. The Department sends written notice to the license holder of its determination of probable cause and of the holder's right to request a hearing before the Commissioner in accordance with M.G.L. c. 30A and 801 CMR 1.00: Adjudicatory Rules of Practice and Procedure. Notice shall be sent by certified mail and regular mail to the holder's last known address. The holder shall have 21 days from receipt of the notice to make a written request for a hearing. If no written request for a hearing is received by the Commissioner in accordance with the above, the discipline requested in the notice of probable cause holder's license shall be deemed to be revoked, suspended, or limited imposed, and the holder shall be so notified by certified mail.

(d) Surrender. A license holder may surrender a license by submitting documentation to the Commissioner in an approved manner. If a license holder surrenders a license after the Department has found probable cause to revoke, suspend, or limit the license impose a sanction, the surrender will be treated as a revocation unless the Commissioner determines another disposition is warranted.

d(e) Hearing.
1. If the Commissioner receives a request for a hearing from the license holder in accordance with 603 CMR 7.15(8)(b), the Commissioner or his designee shall schedule a hearing within a reasonable period no later than 60 days after receipt of the request. The hearing shall be conducted in accordance with M.G.L. c. 30A and 801 CMR 1.00: Adjudicatory Rules of Practice and Procedure. The hearing shall not be open to the public unless the license holder requests a public hearing.

2. Following the conclusion of the hearing, the Commissioner or his designee shall render a final written decision determining whether or not the holder’s license shall be revoked, suspended, or limited. The decision shall comply with the requirements of M.G.L. c. 30A, §11 and 801 CMR 1.00: Adjudicatory Rules of Practice and Procedure.

3. The Commissioner shall send a copy of the decision to the license holder along with a notice informing him or her of the right of appeal in accordance with the provisions of M.G.L. c. 30A, §14.

(fg) Notice of License Action. The Department shall send notice of educator the revocation, suspension, limitation, or surrender of a license to appropriate entities including, but not limited to, all Massachusetts superintendents of Massachusetts schools, heads of charter and virtual schools, and the National Association of State Directors of Teacher Education and Certification to the certification or licensure officers of every state.

(fg) Reinstatement.

1. A person whose license has been revoked in accordance with 603 CMR 7.15(8) may again be licensed in Massachusetts only upon a 2/3 vote by the Board.

2. A person requesting reinstatement from revocation shall direct the request in writing to the Commissioner. The Commissioner, in his discretion, may choose to forward the request to the Board.

3. The Department may reinstate a suspended license upon determination by the Commissioner that the condition causing the suspension has been corrected.

4. License limitations or conditions shall remain in effect as determined by the Commissioner.

(gh) Administrators’ Obligation to Report and Produce Documents. Any administrator who has dismissed, declined to renew the employment of, or obtained the resignation of any educator for any of the reasons cited in 603 CMR 7.15(8)(a) shall report in writing such resignation or dismissal and the reason therefor to the Commissioner within 30 days. This obligation to report also applies when an administrator acquires relevant information after an educator's dismissal, resignation, or non-renewal. Upon request, administrators shall provide the Department with all relevant information and documents requested in connection with an investigation. Failure to make such the required reports or to provide requested information or documents shall be grounds on which the Commissioner may impose discipline on revoke the administrator's license.
(hi) **License Holder's or Applicant's Obligation to Report.** Any license holder or applicant for a license who has been convicted of a crime in a court of law shall notify the Commissioner of such conviction in writing within ten days of the conviction. The term "convicted of a crime" shall include, but is not limited to, any guilty verdict, admission to, or finding of, sufficient facts, continuance without a finding, and any plea of guilty or nolo contendere, or guilty verdict in a court of law, whether or not a sentence has been imposed. 3. Notwithstanding 603 CMR 7.04, 603 CMR 7.05, 603 CMR 7.09 and 603 CMR 7.15 (5), any core academic teacher, principal, assistant principal, or supervisor/director supervising or evaluating a core academic teacher, who fails to obtain an SEI endorsement within the time period designated for his or her cohort established pursuant to 603 CMR 14.07(2), will not be eligible to advance or renew his or her license until such educator obtains the SEI endorsement. Provided however, in accordance with 603 CMR 14.07(2), upon a showing of hardship, the Department may grant an educator an extension of time beyond the date designated for his or her cohort to earn an SEI endorsement.

(c) **District Requirements.** Nothing in 603 CMR 7.00 shall be construed to prevent a school district from prescribing additional qualifications beyond those established in 603 CMR 7.00

(d) **Provisional Licenses.** Persons holding Provisional licenses are permitted to seek employment in teaching positions requiring licensure in school districts that have an approved program of preparation for the Initial license.

(e) **Conditions for Employment as a Supervisor of Attendance.**

1. No person shall be eligible for employment by a school committee as a supervisor of attendance unless he has been by the Board of Elementary and Secondary Education issued a certificate by the Commissioner under 603 CMR 13.00 or meets the following requirements:

   a. Demonstration of knowledge of the laws concerning school attendance and of services available to children with attendance problems.

   b. Possession of one of the following:

      i. Two years of experience working as a parole, probation or law enforcement official whose major responsibilities have been working with juveniles and/or in home investigations.

      ii. A minimum of eighteen graduate credits in psychology, guidance and/or social work at an accredited college.

      iii. An Initial or Professional Massachusetts license as a School Counselor, School Psychologist, School Social Worker/School Adjustment Counselor.
iv. An Initial or Professional Massachusetts administrator license with at least one course in psychology, guidance and/or social work at an accredited college.

v. A combination of experience working with school-age children in a school setting or a non-school setting deemed acceptable by the Department and education in psychology, guidance and/or social work at an accredited college.

2. A school committee, upon its request, may be exempted by the Department from these requirements for any one school year when compliance therewith would in the opinion of the Department constitute a great hardship in securing supervisors of attendance for the town. Service as a supervisor of attendance may not be accepted as meeting the experience prerequisite for certification unless it is served under a legally granted exemption. Exemptions under this paragraph may not be granted by the Department Board of Elementary and Secondary Education for any person for more than three consecutive years.

(10) Exemptions. The following are exempted from the provisions of G. L. c. 71, § 38G or M. G. L. c. 71A, § 6, which require the possession of an educator license:

(a) All those exempted by statute or regulation, including but not limited to temporary substitute teachers and exchange teachers and regionally licensed or certified educators;
(b) Any person legally employed as an intern;
(c) Any trade and vocational instructor, supervisor, guidance school counselor or director, or administrator (except school business administrators employed on or after September 1, 1980) in vocational programs approved by the Commissioner under the provisions of M. G. L. c. 74;
(d) Any trade and vocational school business administrator employed prior to September 1, 1980, as the chief fiscal officer of a school committee responsible for vocational programs.
(e) Any school nurse employed by a school district on or before June 18, 1993.
(f) Any school librarian employed by a school district prior to May 2, 1960.
(g) Any teacher employed by a school district to teach young children with disabilities prior to May 11, 1978.

(11) Role. The role covered by each license is defined by the title and requirements of the license. Superintendents and principals intending to employ an educator in a role not obviously defined by an existing license must determine the most appropriate license set forth in 603 CMR 7.00 or 603 CMR 4.00 by comparing the actual duties and responsibilities of that role with the license requirements.

(12) Public Record. Each school district shall maintain as a public record, in a central location or in each school, a list of all staff members whose employment is governed by 603 CMR 7.00, indicating the role in which each is employed and the credential that authorizes such employment.
(13) **Hardship Waivers and Critical Shortage.**

(a) The Commissioner may exempt a district for any one school year from the requirement to employ licensed or certified personnel in accordance with M. G. L. c. 71 § 38G. The Commissioner may deem a district to have a great hardship in securing licensed or certified personnel for the purposes of M. G. L. c. 71 § 38G upon request of a superintendent and demonstration to the Commissioner that the district has made a good-faith effort to hire licensed or certified personnel, and has been unable to find a licensed or certified candidate who is qualified for the position. Persons employed under waivers must demonstrate that they meet minimum requirements as established by the Department and are making continuous progress toward meeting the requirements for licensure or certification in the field in which they are employed. During the time that a waiver is in effect, service of an employee of a school district to whom the waiver applies shall not be counted as service in acquiring professional teacher status or other rights under M. G. L. c. 71, § 41.

(b) The Commissioner may deem a district to have a critical shortage of licensed or certified teachers for the purposes of M. G. L. c. 32 § 91 (e) upon request of a superintendent and demonstration that the district has made a good-faith effort to hire personnel who have not retired under M.G.L. c. 32 and has been unable to find them. A district deemed to have a critical shortage of licensed or certified teachers for the purposes of M. G. L. c. 32 § 91 (e) may employ retired teachers subject to all laws, rules, and regulations governing the employment of teachers. The period of a determination of a critical shortage of licensed or certified teachers shall not exceed one year, but a district may seek to invoke this provision in consecutive years upon a new demonstration of a good-faith effort to hire personnel who have not retired. The Commissioner shall notify the Teachers' Retirement Board of each determination of a critical shortage made for the purposes of M. G. L. c. 32 § 91 (e).

(c) In each instance when, after a good-faith effort, a district is unable to hire a licensed or certified teacher who has not retired under M. G. L. c. 32, the superintendent of the district has discretion to choose whether to seek a waiver, pursuant to 603 CMR 7.14 (13) (a) or to seek a determination of a critical shortage, pursuant to 603 CMR 7.14 (13) (b).

(14) **Implementation.**

(a) Between March 7, 2009 and June 30, 2012, candidates for the following provisionaleliminary or initial licenses who earn a scaled score of at least 227-239 on the Mathematics portion of the General Curriculum test: Elementary, Teacher of Students with Moderate Disabilities, Teacher of Students with Severe Disabilities, Teacher of the Deaf and Hard-of-Hearing and Teacher of the Visually Impaired, will be deemed to have passed the Mathematics portion of the General Curriculum test. All candidates who are licensed under this provision must earn a scaled score of 240 or above on the Mathematics portion of the General Curriculum test in order to be eligible for the next stage of licensure or to renew their initial license.

(b) Individuals who apply and complete all requirements for licensure as a Teacher of Students with Moderate Disabilities prior to August 31, 2012, may qualify for an initial or provisionaleliminary license by meeting the requirements under 603 CMR 7.06 (25) in effect prior to July 1, 2011.

(c) Individuals who apply and complete all requirements for licensure as a Teacher of Students with Severe Disabilities prior to August 31, 2012, may qualify for an initial or provisionaleliminary license by meeting the requirements under 603 CMR 7.06 (26) in effect prior to July 1, 2011.
(d) Individuals who apply and complete all requirements for Administrator licensure as set forth in 603 CMR 7.09 by December 31, 2013, may qualify for a license by meeting requirements under 603 CMR 7.09 and 7.10 in effect prior to January 1, 2012.
(e) Individuals who apply and complete all requirements for Initial licensure prior to July 1, 2014, may qualify for that license by meeting the requirements under 603 CMR 7.00 in effect prior to August 1, 2012.
(f) Individuals who apply and complete all requirements for Teacher licensure prior to July 1, 2016, may qualify for a license by meeting the requirements under 603 CMR 7.08 in effect prior to February 1, 2014.
(g) Individuals who obtained provisional licenses prior to June 30, 2019 will have no more than five years of employment under the provisional license as of July 1, 2019.

603 CMR 13.00: Certification of Supervisors of Attendance

Section:

13.01: Phase III Requirements

13.02: Conditions of Employment

All persons qualified for appointment as supervisors of attendance by Civil Service examinations and experience prior to the effective date of 603 CMR 13.00 shall remain eligible for appointment as supervisors of attendance until the expiration of their Civil Service eligibility.

No supervisor of attendance appointed prior to September 1, 1972 shall be adversely affected by 603 CMR 13.00.

A school committee may upon its request be exempted from these requirements by the Department for any one school year when compliance therewith would in the opinion of the Department constitute a great hardship in the securing of supervisors of attendance for the community.

13.01: Phase III Requirements

A candidate for certification as a supervisor of attendance shall submit to the Board of Education:

(1) An application for such certification with evidence of good health and moral character.

(2) Evidence of two years satisfactory full-time, paid experience as a professional public or private school teacher, or guidance counselor; health, welfare or social worker; as an aide to a supervisor of attendance; or as a parole, probation or law enforcement official whose major responsibilities during these two years have been working with juveniles and/or in home investigations.

(3) Evidence of knowledge of the laws concerning school attendance and of services available to children with attendance problems. The Director of Civil Service will make this determination in the case of Civil Service communities.

(4) Evidence of possession of a bachelor's or higher earned degree and a minimum of 18 semester hours in psychology, guidance and/or social work at an accredited or approved four-year college.

A master's degree in psychology, guidance, social work or education with a minimum of 18 semester hours in psychology, guidance and/or social work may be accepted in lieu of experience described in 603 CMR 13.02(2).

44.01: Purpose and Authority

(1) Purpose. The Massachusetts license renewal system will enhance education through ongoing professional development for educators that meets high standards for quality. The license renewal system is carried out in the context of professional development for school improvement leading to increased student learning. The goal is for educators within a school and district to work together so that license renewal achieves educational goals for the individual, the school, and the district, in order to assist students in meeting state learning standards.

(2) Authority. 603 CMR 44.00 is promulgated by the Board of Elementary and Secondary Education pursuant to M.G.L. c. 71, § 38G.

44.02: Definitions

As used in 603 CMR 44.00, the following terms shall have the following meanings:

Additional License: All other Professional level licenses, other than the Primary area license.

Advanced Academic Study: a course of study in the content area that is equivalent to an upper-level undergraduate course or a graduate-level course. Department guidelines will provide that upper-level undergraduate courses may qualify for advanced academic study where the content is substantially new to the educator (e.g., elementary teachers addressing content of Curriculum Frameworks).
Board: the Massachusetts Board of Elementary and Secondary Education.

Commissioner: the Commissioner of the Department of Elementary and Secondary Education.

Content Area: the academic discipline or subject matter knowledge of a license certificate.

Continuing Education Unit (CEU): a unit of measurement of professional development activities that meet the requirements of the International Association for Continuing Education and Training.

Department: the Massachusetts Department of Elementary and Secondary Education.

Educator: a person who has been issued a professional license as defined by 603 CMR 7.02.

Educator Plan: shall mean plans developed as part of each educator's evaluation pursuant to 603 CMR 35.00.

Endorsement: A supplementary credential issued to an educator licensed under 603 CMR 7.00, or a credential issued to an individual otherwise required by law or regulation to obtain such credential, indicating satisfactory knowledge and skill to perform services in the area(s) specified.

Inactive License: a license that is not renewed within five years of its issuance or most recent renewal, whichever is later.

A license that is not renewed is deemed inactive for up to five consecutive years.

Individual Professional Development Plan: a five year plan developed by an educator that outlines the professional development activities for the renewal of the educator's license(s) or a series of Educator Plans reflecting such activities.

Invalid License: a license that is not renewed within the five year active period and that is not renewed within the five year inactive period, as provided in 603 CMR 44.07.

License: a Professional educator license issued to a person who has met the preparation and eligibility requirements established by the Board for a Professional license. This license is equivalent to a standard educator certificate as defined in M.G.L. c. 71, § 38G. Professional licenses are valid for five calendar years and are renewable for additional five year terms.

Low-Performing Mathematics Program: Any mathematics program in a Massachusetts public middle or high school which has been identified as low performing according to the criteria and process found in the Regulations on Accountability and Assistance for School Districts and Schools, 603 CMR 2.05.

Mathematics Content Assessment: A diagnostic assessment of mathematics content knowledge designated by the Board and paid for by the Department.
Mathematics Teacher: Any educator who teaches any mathematics course in a Massachusetts public school.

Primary License: the license so designated by an educator who has more than one Professional license. The primary license is usually the license under which the educator is employed. If the educator is employed in a position that requires more than one license, the educator may designate which of the licenses is the primary license.

Professional Development Point (PDP): a unit of measurement of professional development activities. One clock hour is equivalent to one professional development point. One semester hour is equivalent to 15 PDPs. One continuing education unit is equivalent to ten PDPs. However, professional development activities sponsored or approved by the Department and advanced academic studies will receive 1.5 PDPs per clock hour. Department guidelines will detail the PDPs earned by professional development activities not readily measured in clock hours.

Sheltered English Immersion (SEI): Shall have the meaning set forth in M.G.L. c. 71A, § 2.

Sheltered English Immersion (SEI) Endorsement: An SEI Teacher Endorsement and SEI Administrator Endorsement issued to an educator in accordance with 603 CMR 7.14.

Topic: a single or tightly integrated area of study within an academic discipline or related to a particular method of teaching or administration.

44.03: General Provisions

1. Except as provided in 603 CMR 44.07, each license shall be valid for five years, and may be renewed for successive five year terms upon the successful completion of the requisite number of PDPs as set forth in 603 CMR 44.05 (1) and 44.06(1) within a particular five year active period, based on a professional development plan that is designed to improve teaching and student learning and that is approved, if required, by the educator’s supervisor.

2. Professional development points may be earned in the following ways:

   a. PDPs may be awarded by registered providers to license holders who complete a professional development activity and demonstrate proficiency in the relevant subject area or skill through an appropriate end-of-course assessment that satisfies Department guidelines.

   b. PDPs may be awarded by, or under the auspices of, the Department, school districts, or educational collaboratives upon an educator’s completion of a professional development activity in compliance with Department guidelines.

   c. Educators may accrue PDPs through an educator-designed professional development activity that satisfies Department guidelines.

3. An educator also may choose to accrue professional development points in the following ways, as part of an individual professional development plan which receives any approvals necessary under the provisions of 603 CMR 44.04:

   a. Achieving a passing score on a content-specific test approved by the Board will earn an educator 90 PDPs in the content area of the license.
44.04: Options for Educators Employed in Massachusetts Public Schools.

(1) An Educator employed in a Massachusetts public school may choose to use Educator Plans covering the five years of employment prior to the date of application for license renewal to constitute the Individual Professional Development Plan required by these regulations. If the Educator chooses to use Educator Plans to constitute a Professional Development Plan, the Educator plans:

(a) Shall reflect all professional development activities for which the Educator claims professional development points toward license renewal. If such Educator Plans document fewer Professional Development Points than are required for license renewal, the Educator shall also maintain an Individual Professional Development Plan document to record any additional required Professional Development Points, pursuant to 603 CMR 44.04(2)

(b) Do not require additional approvals pursuant to 603 CMR 44.05.

(2) An Educator employed in Massachusetts public schools for fewer than five years prior to license renewal may choose to use any Educator Plans in effect during the five year license period along with an Individual Professional Development Plan document to record any additional Professional Development Points required for license renewal. The provisions of 603 CMR 44.05 shall apply to the Individual Professional Development Plan document.

(3) An Educator employed in Massachusetts public schools may choose to create and maintain a Professional Development Plan document entirely separate from any Educator Plans, in which case the provisions of 603 CMR 44.05 shall apply.

44.05: Approval of Professional Development Plans

(1) In accordance with G.L. c. 71, § 38G, educators working in a Massachusetts public school must obtain approval of their proposed professional development plans from their supervisors.
by the timelines set out in 603 CMR 44.05 (2) and 44.06 (2). Licensed educators working in schools other than Massachusetts public schools are encouraged to seek such approval.

(a) Approval for proposed individual professional development plans shall be from the educator’s direct supervisor or an appropriate designee. In most instances, this will mean that the plans of teachers and other educators who report to the principal will be approved by the principal, a principal’s plan will be approved by the superintendent of schools, and a superintendent’s plan will be approved by the chairperson of the school committee.

(b) Professional development activities shall be identified by the educator and supervisor during the development of, and review of, the Individual Professional Development Plan in order to better support student achievement. Approval of a plan shall be based on whether the 80% of the PDPs in the plan that are subject to supervisor approval are consistent with the educational needs of the school and/or district and whether the plan is designed to enhance the ability of the educator to improve student learning, and is based on evidence that it contributes to increased student achievement and growth. A supervisor may consider whether the plan requires an educator to earn PDPs regularly throughout the five year period when evaluating a plan.

(c) Supervisor approval is not required for the PDPs required to renew any additional licenses not used by the Educator at the time of the approval of the Professional Development Plan.

(d) Approval of individual professional development plans shall not be unreasonably withheld. In the event that a plan is rejected by a supervisor, teachers and other educators who report to the principal may seek review of the denial from the superintendent of schools, principals may seek review from the school committee chairperson, and superintendents may seek review from the Department. An educator may then seek additional review from the Department, according to the provisions of 603 CMR 44.10.

(2) A supervisor shall review each individual professional development plan at least every two years. A supervisor shall review the professional development plan of any educator new to the district or school within three months of the educator’s beginning employment in the new position. A supervisor may require an educator to amend the plan or may withdraw approval for a plan that had been previously approved, provided, however, that any PDPs that were earned consistently with an approved plan shall be deemed approved in applying for license renewal. Any PDPs that are earned prior to the approval of a plan may be subject to disapproval, if in the opinion of the educator’s supervisor, the PDPs are not consistent with the educational improvement goals of the school and/or district.

(3) A supervisor’s signature will indicate that the supervisor has reviewed the log of professional development activities maintained by the educator to ensure that the reported activities are consistent with the approved professional development plan. An educator whose supervisor refuses to sign a professional development plan may follow the review procedures set out in 603 CMR 44.04(1)(d) and 44.10.
(4) Approval of professional development plans of mathematics teachers in low-performing mathematics programs shall be subject to the following additional requirements:

(a) A supervisor shall not approve or sign the professional development plan of any mathematics teacher in a low-performing mathematics program until that educator takes the Mathematics Content Assessment. However, if no Mathematics Content Assessment is offered between the first date the educator is required to take the Mathematics Content Assessment, pursuant to the Under-Performing Schools and Districts Regulations, 603 CMR 2.05, and the last date on which the approval or signature may be granted, the supervisor may approve or sign the professional development plan of an educator who has not yet taken the Mathematics Content Assessment.

(b) In considering whether a professional development plan is consistent with the educational needs of the school and/or district and whether the plan is designed to enhance the ability of the educator to improve student learning, pursuant to 603 CMR 44.04 (1)(b), a supervisor must determine that the professional development plan addresses weaknesses identified by the Mathematics Content Assessment.

(c) In the event that a school's mathematics program is classified as a low-performing mathematics program after approval of the educator's professional development plan, the educator shall take the next Mathematics Content Assessment offered by the Board.

(d) In the event that a mathematics teacher who was not previously teaching in a school with a low-performing mathematics program goes to work in a school with a low-performing mathematics program, that teacher will not have to take the Mathematics Content Assessment until the school's mathematics program is classified as low-performing based on the results of an MCAS mathematics test administered while the teacher is employed at the school.

(e) In biannual reviews conducted pursuant to 603 CMR 44.04 (2), a supervisor must withdraw approval of the professional development plan of any educator who has not taken the Mathematics Content Assessment offered by the Board, unless no Mathematics Content Assessment is offered between the time such Assessment was required of the educator, pursuant to 603 CMR 2.05 (2), and the time of the biannual review. A supervisor must also withdraw approval of any professional development plan that fails to address weaknesses identified by the Mathematics Content Assessment.

44.05: Provisions applicable to licenses renewed before July 1, 2016

(1) Individual professional development plans must include at least 150 PDPs. At least 120 of the PDPs must be in the content area of the license or in pedagogy directly related to the educator's primary license, with at least 90 of these PDPs in the content area of the educator's primary license.

(2) Educators working in Massachusetts public schools must get initial approval of their professional development plans pursuant to 603 CMR 44.04 (1) within three months of issuance of the license to be renewed. A supervisor shall approve a professional development plan in which the 120 PDPs required to be in content area or pedagogy are consistent with school and district educational improvement goals.

(3) Educators shall obtain final approval of their plans from their supervisors, pursuant to the provisions of 603 CMR 44.04 (3).

(4) A minimum of 10 PDPs must be earned in a topic to count the PDPs toward license renewal.
(5) Professional development plans must include an additional 30 PDPs in the content area of any additional license to be renewed.

(6) Additional requirements for the teacher of the deaf and hard of hearing (American Sign Language/Total Communication) license: a passing score on a test of sign language proficiency approved by the Department.

44.06: Provisions applicable to licenses renewed on or after July 1, 2016

(1) Professional development activities shall be identified by the educator and supervisor during the development of, and review of, the Individual Professional Development Plan in order to better support student achievement. Individual professional development plans must include at least 150 PDPs including:

   (a) At least 15 PDPs related to SEI or English as a Second Language.
   (b) At least 15 PDPs related to training in strategies for effective schooling for students with disabilities and instruction of students with diverse learning styles.
   (c) At least 150 PDPs in the content area of the license.
   (d) At least 15 PDPs in pedagogy, or in pedagogy, with at least 60 PDPs in or related to the content area of the educator’s primary license.

(2) Educators working in Massachusetts public schools must obtain initial approval of their professional development plans pursuant to 603 CMR 44.04(1) within three months of issuance of the license to be renewed.

(3) Educators shall obtain final approval of their plans from their supervisors, pursuant to the provisions of 603 CMR 44.04(3).

(4) A minimum of 10 PDPs must be earned in a topic to count the PDPs toward license renewal.

(5) Each additional license that an educator renews that is not a Primary License: Professional development plans must include an additional 30 PDPs for each license that an educator renews in addition to the Primary License, with at least 15 PDPs in the content area(s) of any additional license(s) to be renewed.

(6) Additional requirements for the teacher of the deaf and hard of hearing (American Sign Language/Total Communication) license: a passing score on a test of sign language proficiency approved by the Department.

(5) Additional requirements for the school nursing and speech, language, and hearing disorders teacher licenses: possession of the relevant registered nurse or speech language pathologist license in good standing.

44.07: Inactive and Invalid Licenses

(1) A license that is not renewed within the five year validity period is deemed inactive for a period of five years. At the end of that time, the license is invalid, except as provided in 603 CMR 44.078 (2) or (3).
(2) An educator who is not currently employed in a position requiring licensure and who is to 
may be employed in a position for which he or she holds an inactive license, and shall have two 
years from the start of such employment to complete the professional development 
requirements for the license.

(3) An educator who is currently employed in a position requiring licensure for which he or she 
holds an active license, and who is to be employed in a position for which he or she holds an 
inactive additional license, shall have two years from the start of such employment to complete 
the professional development requirements for the inactive license. The educator may renew 
such additional license upon the completion of 30 PDPs, provided that the educator has 
renewed his or her primary license.

(4) An educator may not be employed under an inactive license, except as provided in 603 CMR 
44.078 (2) or (3), until he or she renews the license, unless the school district receives a waiver 
from the Department pursuant to 603 CMR 7.00. An educator may not be employed under an 
invalid license, until he or she renews the license, unless the school district receives a waiver 
from Department pursuant to 603 CMR 7.00.

(5) If a license has become inactive or invalid under 603 CMR 44.076 (1), the educator may 
renew a license in that area after completing the professional development requirements 
contained in 603 CMR 44.065 (1) or 44.06, as applicable.

44.08: Application Process

(1) All applicants for license renewal shall submit the following to the Department:

(a) a completed application, in the manner and form prescribed by the Department,
(b) the required fee,
(d) proof of sound moral character,
(e) a statement, signed under penalties of perjury, that the candidate has successfully 
completed all requirements for the license renewal, including earning the requisite 
number of PDPs under an individual professional development plan.

(2) Applicants who are employed by Massachusetts public schools shall submit a statement, 
signed under the penalties of perjury, indicating that they have either obtained their supervisor’s 
final approval of their completed professional development plan, are relying on Educator Plans 
that complied with the requirements of 603 CMR 35.00, or both.

44.09: Documentation and Recordkeeping

(1) Each educator shall maintain the following materials to verify completion of license renewal 
requirements:

(a) an individual professional development plan, which has been approved by the 
educator’s supervisor if required by 603 CMR 44.074 (3), to be achieved over the five 
year period, that includes the educator’s goals for strengthening content area knowledge 
and professional skills and for remaining current in other professional issues, and 
resulting in improvements in teaching; or 
(b) educator plans in effect during the five year period; and
reasonable documentation which validates the completion of an activity and the number of points accrued; and
(d) a record of completed license renewal activities, which at a minimum shall include the topic and type of professional activities completed, the dates of such activities, and the number of points completed; and
(e) evidence of any license issued by another licensing agency which the educator must maintain in order to hold the educator license.

(2) The educator shall maintain the materials identified in 603 CMR 44.09 (1) documentation, record log, professional development plan, and application for five years from the date of the renewal of the license. For those educators who are applying professional development points earned by completing a Department- approved SEI endorsement course of study in more than one renewal cycle, as outlined in Department guidelines, all renewal documentation must be maintained for ten years from the date of the renewal of the license.

(3) All documentation is subject to audit by the Department and review by an educator’s supervisor, and must be provided to the Department upon request.

44.10: Reconsideration

An applicant for license renewal may request that the Commissioner reconsider the Department’s decision not to renew such applicant’s license. An applicant may also appeal a supervisor’s decision not to approve or sign a professional development plan to the Commissioner, after seeking any review available at the local school district pursuant to 603 CMR 44.04 (1) (d). The applicant shall submit a written request for reconsideration to the Commissioner within 30 days of the date that the applicant received notice that his or her application for license renewal has been denied or that the individual professional development plan was rejected at the highest available level of local review. The decision of the Commissioner shall be final.

44.11 Failure to Satisfy Renewal Requirements

(1) If the Department determines that the educator has failed to demonstrate that the educator has met the requirements to renew the license, the educator’s license the Department may will be deemed the Educator’s license inactive. Alternatively, if the Department determines that the Educator has intentionally submitted a false application or documentation, the department may seek to take action up to an including license revocation pursuant to 603 CMR 7.15(8).

(2) Before the Department deems the license inactive, it shall notify the educator in writing that the Department intends to deem the license inactive and of the educators right to request a hearing before the Commissioner in accordance with M.G.L. c. 30A and 801 CMR 1.00: Adjudicatory Rules of Practice and Procedure. This notice shall operate as a notice of the action and does not operate as an order to show cause.

(3) The educator shall have 21 days from receipt of the notice to make a written request for a hearing. If the Commissioner does not receive a written request for a hearing in accordance with the above, the educator’s license shall be deemed to be inactive and the educator shall be so notified by return mail.

(4) Hearing.
a. If the Commissioner receives a request for a hearing from the educator in accordance with 603 CMR 44.11(3), the Commissioner or his designee shall schedule a hearing. The hearing shall be conducted in accordance with the requirements of M.G.L. c. 30A and 801 CMR 1.00. At such hearing, the educator shall bear the burden of proof. The hearing shall not be open to the public unless the educator requests a public hearing.

b. The Commissioner or his designee shall issue a written decision determining whether or not the educator's license shall be deemed inactive. The decision shall comply with the requirements of M.G.L. c. 30A, §11 and 801 CMR 1.00.

c. The Commissioner shall send a copy of the decision to the educator along with a notice informing the educator of the right to appeal in accordance with the provisions of M.G.L. c. 30A, §14.

44.12: Hardship Waiver or Modification

(1) Upon a showing of extreme hardship, the Commissioner may waive or modify the requirement of completion of the requisite number of PDPs as set forth in 603 CMR 44.05, 44.06, and 44.07. A showing of extreme hardship may include serious illness or other catastrophic circumstances that are beyond the control of the educator. No modification or waiver will be granted without satisfactory evidence that the educator has made a good faith effort to obtain the required number of PDPs but that extreme hardship has prevented the educator from doing so.

(2) The Commissioner, in his discretion, may impose reasonable conditions upon any modification or waiver granted.

(3) The decision of the Commissioner shall be final.

Streamlining Licensure: Survey Results

ESE administered a survey to educators regarding the streamlining recommendations that the working group had narrowed down. The survey began on Thursday September 22nd, ran through Thursday October 20th, and garnered 921 responses.

The vast majority of the recommendations were viewed favorably by the respondents. In fact, the only recommendation that received less than 80% approval was the same proposal that received by far the highest number of “Not Sure” answers, indicating that the proposal itself (involving PRPIL providers) may have been abstruse for our audience. For clarity, the table below excludes the “Not Sure” answers, combines the Strongly Agree and Agree answers, and combines the Strongly Disagree and Disagree answers.

Miscellaneous

1. Change “guidance counselor” to “school counselor.” 96% 4%

2. When learning standards are modified by the Board of ESE, Subject Matter Knowledge Requirements (SMKs) would be taken out of the regulations and would be revised as guidance to reflect the new learning standards. The SMKs would still be subject to a public comment process. 97% 3%

3. Where they exist for teachers, combine grade levels 5-8 & 8-12 into 5-12. 87% 13%

4. Eliminate requirements for completion of additional seminars or courses beyond the Subject Matter Knowledge Requirements (SMKs) for some preliminary licenses like Elementary and Early Childhood. Examples of additional seminars or courses include the teaching of reading, math, and English. 92% 8%

5. Outline more explicitly the expectations for pre-practicum experiences through language in regulations and guidelines. 95% 5%

6. Eliminate the current regulations for Supervisor of Attendance (603 CMR 13.00); update them and include them in 603 CMR 7.00. 97% 3%

7. Update Early Childhood (PreK-2) license language to eliminate the inclusion of the words “with and without disabilities” in the name. 96% 4%

8. Eliminate the 18 credit requirement for core supervisor/director license, but possession of an initial or professional license would be required. 91% 9%

9. Move Academically Advanced from a Specialist License to an endorsement. 98% 2%

10. Rename the political science/political philosophy license to "social sciences". 96% 4%

11. Develop a new computer science license while eliminating or merging the existing instructional technology license. 87% 13%

12. Standardize some of the routes used in the Commissioner’s Determination and Reconsideration, especially for out-of-country candidates. 95% 5%

Change the name of the Preliminary License

Respondents were asked to rank their preferred name. These were the final results, in order:

1. Provisional
2. 5-year Teaching Permit
3. Teaching Permit
4. Apprentice
5. Don’t change the name. Keep "preliminary."
6. Practitioner

Open Response

An analysis of the open response item, where respondents were asked for any further suggestions they had to streamline the licensure system, revealed a few trends. Of the 240 total comments made, 34 of them urged ESE not to merge the new computer science license with the instructional technology license. Generally, the argument respondents made was that computer science is a content field in and of itself, while educational technology is focused on teaching with technology independent of the content area. Over 20 of the comments urged ESE to separate health from family and consumer sciences, though it should be noted that these comments were verbatim, and thus very likely shared and passed around among those respondents. The remainder of the comments addressed a variety of topics.
Overview of the Data from the Survey Addressing the Possible Expansion of Eligibility for the Autism Endorsement to General Educators

Dates of the Survey: May 12- June 30, 2016
Total Respondents who completed at least a portion of the survey: 451

Professional Role of Respondents (n=446)
- General Educator: 24%
- Higher Education Representative: 23%
- Special Educator: 18%
- School/District Administrator: 12%
- Other - Write In: 2%
- Parent/Family Member: 20%

For general educators: How comfortable do you feel about your ability to teach students with autism in your classroom? (n=120)
- Mostly comfortable: 38%
- Completely comfortable: 28%
